Scraping Heaven A Family's Journey Along The Continental Divide:

Scraping Heaven Cindy Ross, 2016-02-11 Not only are readers given the opportunity to experience the sheer beauty and at times frightening dangers of the trail but they also watch two children grow and learn to call the trail their home Well written captivating and incredibly educational this adventure is a lesson in the simplicity of life and the beauty of accomplishment Publishers Weekly This is both an epic adventure of the first order and the heartwarming story of the family who accomplished it San Francisco Chronicle Now available for the first time in paperback and ebook Scraping Heaven is the story of a family's adventurous trek over the rooftop of North America a warm and heartfelt account with a powerful message for parents long distance hikers and outdoor adventurers alike The Continental Divide Trail a rugged 3100 mile footpath running along the crest of the Rocky Mountains from Canada to Mexico is infamous for its tricky mountain passes and snowy traverses In 1993 Cindy Ross her husband and their two toddlers set out together on the Trail Using llamas as kid carriers and packers they successfully hiked the entire route over the next five summers covering the last 700 miles on tandem mountain bikes in 1998 A keenly observant storyteller Ross deftly interweaves evocative descriptions of the landscape with dramatic accounts of sudden snowstorms gale force winds strong enough to lift a child and heart pounding wildlife encounters Through it all her intimate reflections on marriage family and children provide depth and interest far beyond the high Rocky Mountain peaks Scraping Heaven features a new afterword by the author Journey On the Crest Cindy Ross, 1987-11-30 Cindy Ross does not claim to be a heroine Her book is about the fear of an ordinary person doing extraordinary things It is good to read of someone who is just crammed full of courage guts spirit and determination Smoke Blanchard Walking Up and Down in the World Cindy Ross had already hiked the 2000 mile length of the Appalachian Trail when hoping to escape a deadening daily routine and sort out her life she returned to the wild But this time it was a more rugged arena the Pacific Crest Trail a mostly mountainous 2600 mile route from Mexico to Canada vastly different from the relatively gentle well traveled Appalachian Trail Her trip began badly in the California desert where the hiking partner she had selected from an advertisement proved to be totally inexperienced and so strange that they parted company the first day Continuing alone Ross soon became the de facto leader of a motley ever changing crew of PCT walkers that came to be known as Cindy's Circus Long rugged hiking days produced physical ailments and strong emotions but in confronting and surmounting these challenges Ross grew in strength After many months and several major changes in her life Ross beat fall snows and storms to reach the Canadian border More than the end of the trail this was also a symbolic milestone in her life In narrating her story Ross deftly brings the reader into the physical and emotional landscape of long distance hiking Her cast of Crest characters is sharply drawn in both words and sketches Uphill Both Ways Andrea Lani, 2022-03 Reading the West Longlist for Memoir Biography One grouchy husband Three reluctant kids Five hundred miles of wilderness And one woman determined to escape the humdrum existence of modern parenting and a toxic work environment and to confront the

history of environmental damage wreaked by westward expansion and the Anthropocene In Uphill Both Ways Andrea Lani walks us through the Southern Rockies describing how the region has changed since the discovery of gold in 1859 At the same time she delves into the history of her family who immigrated to Leadville to work in the mines and her own story of hiking the trail in her early twenties before returning two decades later a depressed middle aged mom in East Coast exile seeking happiness in a childhood landscape On the 489 mile trek from Denver to Durango on the Colorado Trail Lani s family traveled through stunning scenery and encountered wildflowers wildlife and too many other hikers They ate cold oatmeal in a chilly wet tent and experienced scorching heat torrential thunderstorms and the first nip of winter Her kids grew in unimaginable ways and they became known as the family of five an oddity along a trail populated primarily by solo men As they inched along the trail Lani began to exercise disused smile muscles despite the challenges of hiking in a middle aged body maintaining her children s safety and happiness and contending with marital discord She learned that being a slow hiker does not make one a bad hiker and began to uncover the secret to happiness

Walking Toward Peace Cindy Ross, 2021-04-01 *Walking Toward Peace* shares the intimate stories of veterans who post deployment have wrestled with post traumatic stress disorder PTSD Through a process called ecotherapy spending time in nature to promote healing and mental health they have found new tools to deal with issues that have resulted from combat experiences survivor's guilt nightmares lack of trust depression hypervigilance thoughts of suicide and lack of purpose Some veterans profiled here have gone to extremes spending months on long distance expeditions like hiking the 3 100 mile Continental Divide Trail or canoeing the 2 320 mile Mississippi River For many others however brief excursions in the outdoors offer an opportunity for healing Author Cindy Ross examines current research and perspectives of professional therapists and provides information on organizations devoted to healing veterans in the outdoors Each featured veteran is depicted in an illustrated portrait Veterans share their stories frequently as they sit by a campfire describing wartime traumas and their present lives Through their collective voices what becomes clear is that anyone suffering from any form of PTSD may discover the powerful comfort and healing that can be found in the outdoors

Wild with Child Jennifer Bove, 2010 *Wild with Child* is a unique collection of true stories by parents who boldly head out into the wilderness with kids in tow or in the lead as the case may be These stories run the gamut of adventure winter camping climbing spelunking field research skiing llama trekking fishing hunting and searching for pirate treasure with children of all ages Readers should bundle up before they strike out into the Rocky Mountains with Mark Jenkins whose idea of quality time with the kids is camping in a snow cave Leslie Leyland Fields shares deep gratitude as her brood safely migrates to an Alaskan island by bush plane Maleesha Speer confides her personal evolution as she awakens to the wonder of her unborn child in bear country Whether just beginning the course of wild parenting or looking back at the trail they've taken these writers aren't willing to accept Disneyland as the final frontier Even the most civilized among them insist that their children grow up feeling grass between their toes and sun on their skin It's a healthy heritage giving kids a steady set of bearings making them strong and helping them rise to challenges

Scraping Heaven A Familys Journey Along The Continental Divide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Scraping Heaven A Familys Journey Along The Continental Divide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Scraping Heaven A Familys Journey Along The Continental Divide has opened up a world of possibilities. Downloading Scraping Heaven A Familys Journey Along The Continental Divide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Scraping Heaven A Familys Journey Along The Continental Divide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Scraping Heaven A Familys Journey Along The Continental Divide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Scraping Heaven A Familys Journey Along The Continental Divide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Scraping Heaven A Familys Journey Along The Continental Divide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Scraping Heaven A Familys Journey Along The Continental Divide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and

book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
