Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Church s distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier

Redeemed 1984 and including the immortal stories from *The Magic Barrel* and the vivid depictions of the unforgettable Fidelman. It is a varied and generous collection of great examples of the modern short story which Malamud perfected and an ideal introduction to the work of this great American writer. *The Wetback and Other Stories* Ron Arias, 2016-09-30 In the title story Mrs Renter shouts David is mine as she and her neighbors gather about the dead but handsome young man found in the dry riverbed next to their homes in a Los Angeles barrio. Since when is his name David? Someone asks and soon everyone is arguing about the mysterious corpse's name, throwing out suggestions. Luis Roberto Antonio, Henry Enrique Miguel, Roy Rafael. Many of the pieces in this collection take place in a Los Angeles neighborhood that used to be called Frog Town, now known as Elysian Valley. Ron Arias reveals the lives of his Mexican American community there: Eddie Vera who goes from school yard enforcer to jail bird and finally commando fighting in Central America; a boy named Tom who chews his nails so incessantly that it leads to painful jalapeño chili treatments, banishment from the neighborhood school and ultimately incarceration in a school for emotionally disturbed kids; and Luisa, a young girl who can't resist an illicit visit to Don Noriega, an old man the kids call El Mago who is known as a curandero in their neighborhood. Most of the 14 stories included in this volume were originally published in journals that no longer exist, including *El Grito*, *A Journal of Contemporary Mexican American Thought*, *Caracol* and *Revista Chicano Rique*. The author of an important novel *The Road to Tamazunchale* published during the Chicano literary movement of the 1970s, Arias was one of the first to use magic realism and connect U.S. Hispanic literature to its more popular Latin American cousin. *The Wetback and Other Stories* finally gathers together and makes available the short fiction of a pioneer in Mexican American literature. I felt reading these wonderful stories that I was admitted to an adjacent neighborhood, a rich culture that is another world, call it Amexica, both mysterious and magical, that is persuasive through its tenderness. My hope is that Ron Arias continues to write short stories that tell us who we are. Paul Theroux. *The Road to Tamazunchale* is one of the first achieved works of Chicano consciousness and spirit. *Library Journal*. **Screen Door** Sharon D. Smith, 2014-05-15 Sharon Smith reaches deep down and recaptures the torturous times of her childhood growing up in Harlem, New York. From kindergarten through high school, her experiences accelerated her awareness of life's unyielding challenges. She met the hard and bitter reality of becoming an outcast. Concurrently, her family was shattered by alcoholism, poverty, and physical abuse. As her mother traveled the country, Sharon became the substitute mother for her sister and three brothers. She endured adversity and hostility in 1960s Harlem public housing projects. Entering her teenage years, Sharon met with even more abysmal poverty and despair. Her health compromised, compounded with family issues, Sharon longed and prayed for acceptance and a better life. Despite all of the challenges, she decides to return to the religion of her youth. She began to seek God's guidance and the meaning of love in her life. With prayer and reading of the Scriptures, Sharon found salvation and contentment.
