Screening The Gothic:

Screening the Gothic Lisa Hopkins, 2005-05-01 Exploring how the Gothic has been deployed in contemporary films Lisa Hopkins surveys a broad range of productions offers a new way of understanding the relationship between film and the Gothic

Screening the Gothic Lisa Hopkins, 2010-01-01 Filmmakers have long been drawn to the Gothic with its eerie settings and promise of horror lurking beneath the surface Moreover the Gothic allows filmmakers to hold a mirror up to their own age and reveal society's deepest fears Franco Zeffirelli's Jane Eyre Francis Ford Coppola's Bram Stoker's Dracula and Kenneth Branagh's Hamlet are just a few examples of film adaptations of literary Gothic texts In this ground breaking study Lisa Hopkins explores how the Gothic has been deployed in these and other contemporary films and comes to some surprising conclusions For instance in a brilliant chapter on films geared to children Hopkins finds that horror resides not in the trolls wizards and goblins that abound in Harry Potter but in the heart of the family Screening the Gothic offers a radical new way of understanding the relationship between film and the Gothic as it surveys a wide range of films many of which have received scant critical attention Its central claim is that paradoxically those texts whose affiliations with the Gothic were the clearest became the least Gothic when filmed Thus Hopkins surprises readers by revealing Gothic elements in films such as Sense and Sensibility and Mansfield Park as well as exploring more obviously Gothic films like The Mummy and The Fellowship of the Ring Written in an accessible and engaging manner Screening the Gothic will be of interest to film lovers as well as students and scholars

Screening the Gothic in Australia and New Zealand Jessica Gildersleeve, Kate Cantrell, 2025-10-01 The persistent popularity of the detective narrative new obsessions with psychological and supernatural disturbances as well as the resurgence of older narratives of mystery or the Gothic all constitute a vast proportion of contemporary film and television productions New ways of watching film and television have also seen a reinvigoration of this most domestic of media But what does this domesticity of genre and media look like Down Under in the twenty first century This collection traces representations of the Gothic on both the small and large screens in Australia and New Zealand in the twenty first century It attends to the development and mutation of the Gothic in these post or neo colonial contexts concentrating on the generic innovations of this temporal and geographical focus

Screening Novel Women Liora Brosh, 2015-12-04 From Hollywood classics like Jane Eyre or Wuthering Heights to the 1990s wave of Jane Austen films adaptations of the British Nineteenth century novel have been sensationally popular This book examines how British and American filmmakers used the domestic novels of the past to construct stable gender ideals for the present

Screening American Nostalgia Susan Flynn, Antonia Mackay, 2021-07-27 This book examines American screen culture and its power to create and sustain values Looking specifically at the ways in which nostalgia colors the visions of American life essays explore contemporary American ideology as it is created and sustained by the screen Nostalgia is omnipresent selling a version of America that arguably never existed Current socio cultural challenges are played out onscreen and placed within

the historical milieu through a nostalgic lens which is tempered by contemporary conservatism Essays reveal not only the visual catalog of recognizable motifs but also how these are used to temper the uncertainty of contemporary crises Media covered spans from 1939 s *Gone with the Wind* to *Stranger Things* *The Americans* *Twin Peaks* the *Fallout* franchise and more

Tis Pity She's A Whore Lisa Hopkins,2015-04-10 John Ford s tragedy *Tis Pity She s A Whore* was first performed between 1629 and 1633 and since then its themes of incest love versus duty and forbidden passion have made it a widely studied and performed if controversial play This guide offers students an introduction to its critical and performance history including TV and film adaptations It includes a keynote chapter outlining major areas of current research on the play and four new critical essays Finally a guide to critical web based and production related resources and an annotated bibliography provide a basis for further individual research

The Gothic World Glennis Byron,Dale Townshend,2013-10-08 The Gothic World offers an overview of this popular field whilst also extending critical debate in exciting new directions such as film politics fashion architecture fine art and cyberculture Structured around the principles of time space and practice and including a detailed general introduction the five sections look at Gothic Histories Gothic Spaces Gothic Readers and Writers Gothic Spectacle Contemporary Impulses The Gothic World seeks to account for the Gothic as a multi faceted multi dimensional force as a style an aesthetic experience and a mode of cultural expression that traverses genres forms media disciplines and national boundaries and creates indeed its own World

Screening Modern Irish Fiction and Drama R. Barton Palmer,Marc C. Conner,2016-12-01 This book offers the first comprehensive discussion of the relationship between Modern Irish Literature and the Irish cinema with twelve chapters written by experts in the field that deal with principal films authors and directors This survey outlines the influence of screen adaptation of important texts from the national literature on the construction of an Irish cinema many of whose films because of cultural constraints were produced and exhibited outside the country until very recently Authors discussed include George Bernard Shaw Oscar Wilde Liam O Flaherty Christy Brown Edna O Brien James Joyce and Brian Friel The films analysed in this volume include THE QUIET MAN THE INFORMER MAJOR BARBARA THE GIRL WITH GREEN EYES MY LEFT FOOT THE PICTURE OF DORIAN GRAY THE SNAPPER and DANCING AT LUGHNASA The introduction features a detailed discussion of the cultural and political questions raised by the promotion of forms of national identity by Ireland s literary and cinematic establishments

Les Vestiges Du Gothique Catherine Lanone,2004

The American Southern Gothic on Screen Karen Horsley,2025-10-01 The Southern Gothic on Screen explores a body of screen texts that conform to certain generic conventions and aesthetics that since the early twentieth century have led to the construction of the American South as a space of ruin decay melancholy loss and haunting The book considers the cultural significance of the Southern Gothic on screen by examining southern otherness as the primary mechanism through which the South is rendered a space of darkness and danger This opens up a critical space for the Southern Gothic to be discussed as a screen genre with its own complex visual thematic and narrative codes The book

establishes a perspective that synthesizes a broad understanding of Southern Gothic genericity with pre existing cultural and political discourses on the South resulting in an analysis that is specific to film and television while remaining heedful of the intersecting discourses that inform both the Gothic and the South as historic and mediated constructs *Gothic Heroines on Screen* Tamar Jeffers McDonald, Frances A. Kamm, 2019-04-29 *Gothic Heroines on Screen* explores the translation of the literary Gothic heroine on screen the potential consequences of these adaptations and contemporary interpretations of the form Each chapter illuminates the significance of this moving image mediation relating its screen topics to their various historical social and geographical moments of production while maintaining a focus on the key figure of the investigating woman Many chapters perhaps inescapably delve into the point of adaptation the Bluebeard story and du Maurier's Rebecca as two key examples Moving beyond the Old Dark House that frequently forms both the Gothic heroine's backdrop and her area of investigation some chapters examine alternative locations and their impact on the Gothic heroine some leave behind the marital thriller to explore what happens when the Gothic meets other genres such as comedy while others travel away from the usual Anglo American contexts to European ones Throughout the collection the Gothic heroine's representation is explored within the medium which brings together image movement and sound and this technological fact takes on varied significance What does remain constant however is the emphasis on the longevity significance and distinctiveness of the Gothic heroine in screen culture

Neo-Victorian Lesbians on Screen Sarah E. Maier, Rachel M. Friars, 2025-09-09 In *Neo Victorian Lesbians on Screen* Maier and Friars argue that the on screen portrayal of lesbians situated in the long nineteenth century across various countries is at the very least a dual task the imperative project of revoicing lesbian silence and female companionship is complicated by the lack of and or complex representation of such women in the past The adaptations with varying degrees of success carefully manipulate the gaze of the viewer to illustrate both how crucial the act of looking proves to be for lesbian attachment in these films and how the viewer's own gaze changes the way the lesbian is represented Maier and Friars consider the adaptations awareness of the audience and the ways in which the films implicitly acknowledge the stakes behind bringing the lesbian to life as it were in visual media Because screen adaptations disrupt historical distance by literally picturing Victorian subjects via a medium they did not have film adaptations of novels and biofictions and original screenplays are challenged by the lesbian subject's vivid presence on screen The lesbian is no longer a contained neo Victorian presence in the othered nineteenth century but her very existence on screen signals her effervescent modernity which filmmakers alternately embrace or reject *Byronic Heroes in Nineteenth-Century Women's Writing and Screen Adaptation* Sarah Wootton, 2017-01-26 *Byronic Heroes in Nineteenth Century Women's Writing and Screen Adaptation* charts a new chapter in the changing fortunes of a unique cultural phenomenon This book examines the afterlives of the Byronic hero through the work of nineteenth century women writers and screen adaptations of their fiction It is a timely reassessment of Byron's enduring legacy during the nineteenth century and beyond focusing on the charged and

unstable literary dialogues between Jane Austen Elizabeth Gaskell George Eliot and a Romantic icon whose presence takes centre stage in recent screen adaptations of their most celebrated novels The broad interdisciplinary lens employed in this book concentrates on the conflicted rewritings of Byron's poetry his heroic protagonists and the cult of Byronism in nineteenth century novels from *Pride and Prejudice* to *Middlemarch* and extends outwards to the reappearance of Byronic heroes on film and in television series over the last two decades

The Routledge Handbook of Motherhood on Screen Susan Liddy, Deirdre Flynn, 2025-04-25 The Routledge Handbook of Motherhood on Screen offers a comprehensive global analysis of the representation of Mothers and Motherhood in contemporary screen industries and online spaces Over five distinct sections this handbook examines how the complexities and realities of contemporary motherhood are translated to the screen Offering a full scholarly overview of the field this handbook provides a ground breaking and important contribution to our understanding of motherhood on screen The geographical and genre reach of the handbook presents new ways of theorising and reframing current scholarly debate and gives a wide ranging and comprehensive contribution to knowledge of on screen representations An international team of established scholars and emerging voices provide analysis of representations from around the world spanning a breadth of genres The chapters situate transnational screen representations of motherhood in the 21st Century and assess the implications of contemporary representation of motherhood Thoroughly challenging and expanding understandings of motherhood and mothers this handbook will be an essential multi faceted publication for researchers and students of film TV animation motherhood gender studies feminism ageing studies anthropology and sociology

Toxic Nostalgia on Screen Simon Bacon, 2024-12-15 Toxic nostalgia is not a new phenomenon and instances of an undying past refusing to perish and plaguing the present can be found throughout history However examined in *Toxic Nostalgia on Screen* in the early years of the new millennium it has acquired further meaning and not just applies to a dangerous longing for the past but a way of being in the present world Here in our modern time undead memory is not just a remembrance of the past that is visited upon the present with negative implications but the embodiment of monstrous imagined histories and ideologies that dictate the way we live today so that tomorrow is not the future but a never ending return to the past

Shakespeare on screen : Macbeth Sarah HATCHUEL, Nathalie VIENNE-GUERRIN, Victoria BLADEN, 2013-12-20 This addition to the Shakespeare on Screen series reveals the remarkable presence of Macbeth in the global Shakespearean screenscape What is it about Macbeth that is capable of extending beyond Scottish contexts and speaking globally locally and glocally Does the extensive adaptive reframing of Macbeth suggest the paradoxical irrelevance of the original play After examining the evident topic of the supernatural elements the witches and the ghost in the films the essays move from a revisitation of the well known American screen versions to an analysis of more recent Anglophone productions and to world cinema Asia France South Africa India Japan etc Questions of lineage and progeny are broached then extended into the wider issues of gender Finally ballet remediations filmic appropriations

citations and mises en abyme of Macbeth are examined and the book ends with an analysis of a Macbeth script that never reached the screen Ce nouvel ouvrage de la s rie Shakespeare l cran r v le la pr sence remarquable de Macbeth dans le paysage filmique shakespearien l chelle mondiale Comment expliquer qu une pi ce dont l intrigue est ancr e dans une nation l cosse ait pu tre absorb e par des cultures aussi diverses Les multiples adaptations de Macbeth sugg rent elles de mani re paradoxale une moindre pertinence de la pi ce originelle Apr s avoir explor la repr sentation des l ments surnaturels les sorci res et le fant me le volume revisite les films am ricains canoniques les productions anglophones plus r centes et les versions d autres aires culturelles Asie France Afrique du Sud Inde Japon etc Les questions de lign e et de descendance sont abord es puis prolong es dans des articles sur la repr sentation du genre Les versions dans es les appropriations les citations et les mises en abyme de Macbeth sont ensuite analys es et ce parcours m ne un trange objet un sc nario non film *From Page To Screen* Erica Sheen, Robert Giddings, 2000-05-05 This book critically examines the long established tradition of adapting classic novels to film or TV screen encompassing novelists from Jane Austen to Michael Ondaatje The early cinema ransacked literature for stories suitable for retelling in moving pictures and as the art of the cinema matured and cinematography music special effects and sound were improved the art of dramatization began to produce high quality versions of respected novels The authors in this book analyze a wide variety of literary dramatizations Victorians on Screen Iris Kleinecke-Bates, 2014-12-09 Victorians on Screen investigates the representation of the Victorian age on British television from the mid 1990s to the mid 2000s Structured around key areas of enquiry specific to British television it avoids a narrow focus on genre by instead taking a thematic approach and exploring notions of authenticity realism and identity

Vampires on the Silent Screen David Annwn Jones, 2023-09-15 This book is the first study of the vampires in silent cinema presenting a detailed academic yet accessible discussion of the films themselves and their sources For the very first time The Fire Elemental from the Wharton brothers The Mysteries of Myra 1916 is identified as cinema s original vampire his appearance initiating a rich and variegated period of film production that is currently missing from studies of horror cinema Exciting and ground breaking Vampires on the Silent Screen also discusses Drakula Hal la Dracula s death 1920 the first ever filmic female vampire in Erich Kober s Lilith and Ly 1919 and the Dracula lookalike Count Merlin in Alexander Korda s Magic 1917 as well as many other productions A socio cultural framework with critical highlighting of eco horror theory is used throughout to draw these unique discoveries together This project is a must read for any horror enthusiasts out there

The Haunted Screen Lee Kovacs, 2005-11-21 While ghosts often inhabit films and literature devoted to the horror genre a group of literature based films from the 1930s and 1940s presents more human and romantic apparitions These films provide the underpinnings for many of the gentle supernatural films of the 1990s Tracing the links between specters as diverse as Rex Harrison s Captain Gregg and Patrick Swazye s Sam Wheat the text presents the evolution of the cinematic literary ghost from classic Gothic to the psychological sociological and political ideologies of today Included are analyses of the literary and

film versions of classic ghost stories *Wuthering Heights* *The Ghost and Mrs Muir* *Portrait of Jennie* *Letter from an Unknown Woman* *The Uninvited* *Liliom* and *Our Town* as well as interpretations of modern films not based on literary works that show the influence of these predecessors *Ghost* and *Truly Madly Deeply* The text includes stills a bibliography and an index

Eventually, you will totally discover a additional experience and achievement by spending more cash. still when? complete you allow that you require to get those every needs once having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to understand even more in relation to the globe, experience, some places, once history, amusement, and a lot more?

It is your completely own epoch to piece of legislation reviewing habit. accompanied by guides you could enjoy now is **Screening The Gothic** below.
