Encyclopedia of Victorian Women's Writing Lesa Scholl,Emily Morris,2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty-first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement **Socially Engaged**

Art and the Neoliberal City Cecilie Sachs Olsen,2019-01-10 What are the social functions of art in the age of neoliberal urbanism This book discusses the potential of artistic practices to question the nature of city environments and the diverse productions of space moving beyond the reduction of the urban as a set of existing and static structures Adopting a practice-led approach each chapter discusses case studies from across the world reflecting on personal experiences as well as the work of other artists While exposing the increasingly limiting constraints placed on public and socially engaged art by the dominance of commercial funding and neoliberal frameworks the author stays optimistic about the potential of artistic practices to transcend neoliberal logics through alternative productions of space Drawing upon a Lefebvrian framework of spatial practice and using a structuralist approach to challenge neoliberal structures the book draws links between art resistance criticism democracy and political change The book concludes by looking at how we might create a new course for socially engaged art within the neoliberal city It will be of great interest to researchers in urban studies urban geography and architecture as well as students who want to learn more about place making visual culture performance theory applied practice and urban culture **Literary Cultures and Digital Humanities in India** Nishat Zaidi,A. Emotions of a Book Guido Parisi, 2016-11-29 The settings of the stories the facts described and the style of writing spring from the wealth of experience of a teacher and writer who has lived in many countries of the world The main purpose of *Emotions of a Book* is to analyse the relationship between the author depicted as an artist and a book presented as a living being gifted with its own personality This axiom can be extended to any other category of artist musician painter sculptor and so on in their interaction with their respective working tools or objects Guido asks if a book a musical instrument a paint brush has its own soul sensitivity the power to influence to shape another's will to make its own decisions Is it possible that these things these apparently inert objects can be supplied with an energy to give them their own life Indeed it is not only an artist who when face to face with his working tool engages in long dialogues with it as if it were a living thing This happens to anyone used to seeing or dealing with the same things every day a writing desk a hammer a spade or even a computer Is then the process of creativity conditioned by this interaction Each of us can give his own interpretation and answer Guido has tried to monitor step by step the inner drama of an author aware of his talent but incapable of expressing it for various reasons A few of these reasons are personal such as precarious health a lack of will and motivation and another is the fact that the invisible life blood of a blank book appears with an autonomous life It expresses its world and its long history with the same human feelings as any person but it also possesses a power which it uses to influence talented authors This book will appeal to those who enjoy reading about literature history and culture

Wildling: A Forbidden Domestic Thriller Lynn Burke, 2020-12-17. A mountain man noir, romantic suspense novel by USA Today bestselling author Lynn Burke. A wildling, Ma always called me, born of nature, feral as a fox. I made a promise to her on her deathbed to look after my heartless Pa, but eight years later he brings another woman to our homestead in the wilds of Alaska, testing my determination to honor Ma's memory. Saige is timid, beautiful, unthreatening, and desperate for affection, consuming my mind and drawing me in. I should flee for both our safety, but I have nothing to my name, and leaving as winter approaches means certain death, no matter my survival skills. Pa crosses a line, and the wildling inside me rises like a bear on its hind legs, instinctively needing to show dominance. This time I won't fail to protect the one I love, no matter the cost, even if it means breaking my promise and shedding blood.

The Winding Path To Freedom 5th ed. Roman D. Mac, 2012-07-18. In Ukrainian fields and forests in the 1940s and 1950s, but what makes any successful popular insurgency work, whether it takes place in America in 1776 or in troubled parts of the world today? History aside, Roman Mac's story is also a moving human document. There is tragedy, heartbreak, and heroic endurance here, both witnessed and lived. And Roman depicts it all in modest, straightforward style, not only the great struggle that was going on around him, but also the struggle that was going on within himself. We see and feel the rustic joys and travails of village life, the destruction and loss that war, Nazism, and Communism bring upon it, and we too struggle along the winding path to freedom with a young boy who manages to keep his faith, his humanity, and not the least of accomplishments amidst so much suffering and sorrow, his sense of humor through it all. Although I was already familiar with Ukrainian history and as an aide to Presidents Nixon, Ford, and Reagan was 2 ROMAN D MAC, an eye witness to the last chapters of the Cold War, reading Roman Mac's story made me

understand more fully what that colossal struggle was really like for the ordinary people who bore the brunt of it His gift of making us see it all as he saw it then through a young boy's eyes brings alive both the brutality of battle and magic solitary moments in the still forest with only woodland creatures as companions We feel the pelting snow and piercing cold we smell the smoke of the campfires and we hear both the whiz of bullets and the deep moving chords of the freedom fighters songs just as the young Roman Mac did more than half a century ago Then with the battle over we follow a troubled but determined young man on the road to a new life in the west We share the ups and downs of a new series of trials and tests from which he emerges once again with his humanity and his humor intact By book's end we feel as if we've walked beside him all the way and we too experience his joy in achieving success dignity and a happy family life in America Thank you Roman Mac for sharing and showing us so much and for doing it with such clarity honesty and goodness of heart
