Pregill, 2020 This book explores the story of the Israelites worship of the Golden Calf in its Jewish Christian and Muslim contexts from ancient Israel to the emergence of Islam It focuses in particular on the Qur'an's presentation of the narrative and its background in Jewish and Christian retellings of the episode from Late Antiquity Across the centuries the interpretation of the Calf episode underwent major changes reflecting the varying cultural religious and ideological contexts in which various communities used the story to legitimate their own tradition challenge the claims of others and delineate the boundaries between self and other The book contributes to the ongoing reevaluation of the relationship between Bible and Qur'an arguing for the necessity of understanding the Qur'an and Islamic interpretations of the history and narratives of ancient Israel as part of the broader biblical tradition The Calf narrative in the Qur'an central to the qur'anic conception of the legacy of Israel and the status of the Jews of its own time reflects a profound engagement with the biblical account in Exodus as well as being informed by exegetical and parascriptural traditions in circulation in the Qur'an's milieu in Late Antiquity The book also addresses the issue of Western approaches to the Qur'an arguing that the historical reliance of scholars and translators on classical Muslim exegesis of scripture has led to misleading conclusions about the meaning of qur'anic episodes      **KJV Apologetics Study Bible** Holman Bible Publishers, 2019-05-15 Now available in the King James Version KJV the KJV Apologetics Study Bible helps today's Christians better understand defend and proclaim their beliefs in an age of increasing moral and spiritual relativism With new articles and extensive study material from leading apologists this edition equips readers for deeper engagement with today's theological issues and questions allowing them to understand what they believe why they believe it and how to defend it Includes commentary from more than ninety leading apologists such as Ted Cabal Lee Strobel Chuck Colson Paul Copan Norm Geisler Hank Hanegraaff Josh McDowell Albert Mohler J P Moreland and many more plus a lead article by Lee Strobel author of The Case for Christ FEATURES Apologetics focused study notes Apologetics articles from leading apologists Twisted Scripture explanations for commonly misunderstood passages Profiles of Christian apologists Presentation page Book introductions 2 column text 9 75 point type size Black letter text Smyth sewn binding ribbon marker Full color maps The KJV Apologetics Study Bible features the authorized version of the King James translation KJV The KJV is one of the bestselling versions of all time and captures the beauty and majesty of God's Word for those who love the rich heritage and reverent language of this rendering of the Holy Bible Whether you're looking for a Christian devotional Bible a great resource for your Bible studies or a study Bible for women men or students
