**How to Read the Bible Without Losing Your Mind** Kent Blevins, 2014-03-10 Does reading the Bible sometimes leave you confused Do you have difficulty seeing the relevance of the Bible to modern concerns or to important issues in your life Do you believe Bible reading and intellectual inquiry are mutually exclusive This book explores how the Bible can serve as a resource for discovering truth It provides a method that accepts and incorporates the knowledge gained from modern scholarship while also recognizing that truth discovery is a personal multifaceted journey It honors the integrity of Scripture while remaining open to insight from additional truth sources In exploring what we mean when we speak of the Bible s authority it is honest about the challenges presented to modern readers by the cultural chasm separating the biblical writers from today s world How to Read the Bible Without Losing Your Mind shows how the Bible can be read with full engagement of both mind and heart

**The Bible and Homosexual Practice** Robert A. J. Gagnon, 2010-10-01 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality He demonstrates why attempts to classify the Bible s rejection of same sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data Gagnon s book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice the most sophisticated and convincing examination of the biblical data for our time J rgen Becker Professor of New Testament Christian Albrechts University

*The Bible in History* David W. Kling, 2022-12-19 Over 15 years after its original publication *The Bible in History* remains an essential examination of the symbiotic relationship between Scripture and the social and cultural contexts shaping its interpretation David W Kling traces the fascinating story of how specific biblical texts sometimes a single verse other times a selection of verses or chapters even books have at various times emerged to be the inspiration of movements that have changed the course of history Episodes range from Anthony s call to the desert and a life of monasticism after hearing Jesus s directive to the rich young rule to give up his possessions to the Anabaptists non violent ethic in following Jesus teaching in the Sermon on the Mount to the varied applications of the exodus motif in African American history This revised and expanded second edition adds two new chapters The first examines the text in Matthew 28 18 20 and considers the multitudinous interpretations before during and after the text emerged as the iconic Great Commission of missionary motivation in the modern period The second assesses those biblical texts that encompass the divisive and ongoing issue of male homosexuality Both chapters engage the question of how the texts have shaped the times but as Kling argues the times have also exerted an enormous impact on shaping the interpretation of the texts and hence on the continuing disputes over the meaning of those texts

[Bible, Gender, Sexuality](#) James V.

Brownson, 2013-02-03 In *Bible Gender Sexuality* James Brownson argues that Christians should reconsider whether or not the biblical strictures against same sex relations as defined in the ancient world should apply to contemporary committed same sex relationships Presenting two sides in the debate traditionalist and revisionist Brownson carefully analyzes each of

the seven main texts that appear to address intimate same sex relations In the process he explores key concepts that inform our understanding of the biblical texts including patriarchy complementarity purity and impurity honor and shame Central to his argument is the need to uncover the moral logic behind the biblical text Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality Brownson's in depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue *Homosexuality, Science, and the "Plain Sense" of Scripture* David L. Balch, 2007-07-01 Elucidates the pros and cons of current Christian discussion on the question of homosexuality Challenges partisan views and provides a balanced discussion **Homosexuality Biblical Interpretation** Willard M. Swartley, 2003-06-06 Grounded in a lifetime of biblical study New Testament scholar Willard M Swartley takes a fresh look at the Scriptures and what they would teach on the current and controversial subject of homosexuality In a spirit of love and generosity Swartley presents all sides of the issue drawing from contemporary scholarship and cultural analysis He concludes with a model for congregational discernment and suggestions for the path forward Imitating Jesus Richard A. Burrige, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burrige maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burrige carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical challenge to reading the New Testament using South Africa as a contemporary case study enables Burrige to highlight and further apply his previous discussion and conclusions *The Princeton Seminary Bulletin* Princeton Theological Seminary, 2004 No 1 of each vol is the academic catalog of the Seminary 1907 76 **The Catholic Biblical Quarterly** Wendell Stephen Reilly, 1996 Includes various reports of the Association **Christian Scholar's Review**, 1996 The World, 1994 Current Contents Institute for Scientific Information (Philadelphia), 1997 **Review of Religious Research**, 1999 **Journal of Intergroup Relations**, 2004
