Carla Mae Streeter,2013-01-01 How does the Holy come to meet the human Or said another way how does God work with the physical psychic and spiritual persons that each of us are Scholarly approaches to spirituality often overlook the need for a sound anthropology as the base for explaining conversion the dynamic of grace and the effects of conversion in virtue theory In Foundations of Spirituality longtime educator Carla Mae Streeter provides a more adequate account of what it means to be a person before God By mining the insights of Bernard Lonergan on human consciousness and the virtue theory of Thomas Aquinas she presents a clear and integrated incarnational spirituality Streeter argues that God works with precisely what God has made enhancing it rather than overriding or disposing of it The basic premise of this book is that every person is called to holiness which comes about through the relationship of the human with the Divine It is a divine summons heard and responded to by a human being Carla Mae Streeter OP is professor emerita at the Aquinas Institute of Theology in St Louis Missouri where she continues to teach in the areas of systematic theology and spirituality **Widow's**
