Children in Long-term Foster Care Texas Appleseed (Foundation), Texas. Permanent Judicial Commission for Children, Youth, and Families, 2010 **The Slow Evolution of Foster Care in Australia** Nell Musgrove, Deidre Michell, 2018-08-10

This book draws on archival oral history and public policy sources to tell a history of foster care in Australia from the nineteenth century to the present day It is primarily a social history which places the voices of people directly touched by foster care at the centre of the story but also within the wider social and political debates which have shaped foster care across more than a century The book confronts foster care s difficult past death and abuse of foster children family separation and a general public apathy towards these issues but it also acknowledges the resilience of people who have survived a childhood in foster care and the challenges faced by those who have worked hard to provide good foster homes and to make child welfare systems better These are themes which the book examines from an Australian perspective but which often resonate with foster care globally HC 111-II House of Commons - Children, Schools and Families Committee: Looked-after Children, Volume II Barry Sheerman, Great Britain.
