A Long Way From Beatty Kelly Smailes,2024-01-24 The kindness of neighbours and faith in God kept this scrappy farm kid going against the odds Sometimes poignant often humourous A Long Way from Beatty chronicles the mishaps and successes of Don Smailes as he ventures beyond the farm seeking his destiny Read along as he meets the love of his life and seeks to win her heart in unconventional ways Be inspired as he discovers that faith is much bigger than a church building From the Prairies to the Yukon to Tennessee and back Don hitchhikes across the country seeking his life s purpose Eventually settling in Edmonton with his sweetheart he stumbles into a new career respiratory therapy As one of the first students in this field he details the early days of the profession Eventually starting a successful respiratory home care business Don sees the hand of God directing his steps and teaching him Don s work ethic and willingness to help others guided him to a rewarding career he had never imagined for himself What started as a life filled with adversity turned into a life lived to its fullest A Long Way from Beatty shows how one individual guided by faith and family has the power to touch the lives of many Excerpt from A Long Way from Beatty by Kelly Smailes My memories of Shaunavon are good memories we were a happy family Of course we were sad not to have Dad present but Mom was the centre of our home and she was amazing She cared for us and was such a good mom that we rarely felt the absence of anything vital even during such a time of upheaval in the world We were always fed clothed and loved In retrospect Mom s desire to be a teacher probably made her

especially engaged in reading to us and teaching us as we grew up I remember her reading Bible stories to us at night and saying bedtime prayers Our home was very adequate for the time It had seven rooms four upstairs bedrooms meant the boys shared one room the girls had another one was a sewing room for Mom and the fourth was a guest room Mom's bedroom was on the main floor to the left of the back door Through her room was the indoor bathroom and to the right was the living area and kitchen We lived only two blocks from the school and close to downtown Shaunavon was not that big but we got to see and experience a lot My earliest memories there were pre school and the wonderful freedom that afforded me to just be a child Before Grade 1 I was a dreamy kid with no concept of responsibility or of how hard life could be As the youngest I may have been spoiled just a little My sister Pat remembers me laying on the floor kicking and screaming while trying to get my own way I obviously have a strong will and according to my sister Mom had a hard time handling me on occasion **A Long**

Runaway American Dream Dr Kenneth Womack, Mr Jerry Zolten, Mr Mark Bernhard, 2013-01-28 There is little question about the incredible power of Bruce Springsteen's work as a particularly transformative art as a lyrical and musical fusion that never shies away from sifting through the rubble of human conflict As Rolling Stone magazine's Parke Puterbaugh observes Springsteen is a peerless songwriter and consummate artist whose every painstakingly crafted album serves as an impassioned and literate pulse taking of a generation's fortunes He is the foremost live performer in the history of rock and roll a self-described prisoner of the music he loves for whom every show is played as if it might be his last In recent decades Puterbaugh adds Springsteen's music developed a conscience that didn't ignore the darkening of the runaway American Dream as the country greedily blundered its way through the 1980s and into the sociocultural detritus of a new century paralysed by isolation and uncertainty Bruce Springsteen Cultural Studies and the Runaway American Dream reflects the significant critical interest in understanding Springsteen's resounding impact upon the ways in which we think and feel about politics religion gender and the pursuit of the American Dream By assembling a host of essays that engage in interdisciplinary commentary regarding one of Western culture's most enduring artistic and socially radicalizing phenomena this book offers a cohesive intellectual and often entertaining introduction to the many ways in which Springsteen continues to impact our lives by challenging our minds through his lyrics and music Bruce Springsteen, Cultural Studies, and the
