Long Nights Loving:

Long Night's Loving Anne Mather, 2014-08-15 He could still make her want him Maggie would never have made the journey to Northumberland to see her ex husband if it hadn't been for their rebellious teenage daughter Lindsey had formed a disastrous relationship and Neil was the only person who could help Clearly Maggie's treacherous betrayal some years ago still rankled with Neil because why else would he so provoke and humiliate her She was ashamed of the fact that he could still make her want him while seemingly remaining detached himself Surely he must be involved enough to want to help Lindsey even if he suspected she might be another man's child

The Long Night Jessica Kantrowitz, 2020-05-19 You've done what you can you've seen your doctor made an appointment with a therapist picked up the prescription for the antidepressant and swallowed that first strange pill But it can take four to eight weeks for the meds to start to work and it might take two or more tries before you and your doctor find the ones that work best for you When you're in the midst of terrible depression those weeks can feel like an eternity You just want to feel better now This book is for those who are in the long night of waiting It does not promise healing or deliverance it is not a guide to praying away the depression It is simply an attempt to sit next to you in the dark while you wait for the light to emerge Drawing on the wisdom of spiritual figures from the past and present including Henri Nouwen Thomas Merton Barbara Brown Taylor Bunmi Laditan and many others The Long Night is a comforting and inspirational companion for anyone in the midst of depression Writer editor and minister Jessica Kantrowitz has been where you are As a mentor and friend she will walk with you on this journey toward life and light

Long Night Moon L. R. Nazario, 2012-02 In New York City at a time of great changes a disillusioned young woman seeks escape from the broken civilization she has become trapped in The untimely death of her estranged father casts doubt on everything she thought she knew about her family and a disquieting inheritance falls into her unsteady hands Puzzling discoveries are made at her ancestral home ultimately leading her into an untamed wilderness seeking answers to her mounting questions Once there she is drawn toward an ancient Native American shrine where her arrival is eagerly awaited and all is not what it seems A trio of diverse companions make the trek at her side James a drug-addled New Yorker struggling to be reborn Danielle a free-spirited California girl whose love knows no bounds and Kevin a thick-skulled good ol' boy from the hills of upstate New York Though each of them joins the expedition for reasons of their own it is not long before a greater purpose emerges It quickly becomes apparent that the power of choice is both a blessing and a curse as the supernatural journey of self-discovery takes a deadly turn The adventurers are forced to evolve or die in a confrontation with an antediluvian terror even as they strive to discover their roles in the continuing evolution of mankind and the uncertain future that lies ahead One thing alone is certain the changes taking place within them have an external counterpart and the world they left behind is not the world the survivors will return to
