Long Pursuit:

Congressional Giants J. Michael Martinez, 2020-05-26 The Congress of the United States operates in the shadow of the American presidency which can make the legislative branch appear less important than the executive in our constitutional system of government And yet Congress is a co equal branch of government deriving its powers from Article I of the United States Constitution Love it or hate it the institution is a source of incredible power It behooves all Americans to learn more about Congress Although a single slender volume cannot provide information on all there is to know about Congress it can begin the journey In Congressional Giants political scientist J Michael Martinez explores the careers and achievements of 14 influential leaders of Congress men who either held formal positions within the chambers of Congress such as speaker of the House of Representatives or Senate majority leader or who served on important committees to determine how they shaped the course of American history Works Ouida, 1892 Army Extension Courses United States. Army, 1938 Dogs Brandi Bethke, Amanda Burt, 2024-04-02 While previous studies of dogs in human history have focused on how people have changed the species through domestication this volume offers a rich archaeological portrait of the human canine bond Contributors investigate the ways people have viewed and valued dogs in different cultures around the world and across the ages **The Spectator**, 1885 **The Outpost** Paul Lederer, 2014-05-27 In a lonely army outpost a group of misfits waits for rescue or death A few minutes before midnight in the barren New Mexico desert Big John leads a prisoner to his doom Although only nineteen years old the boy is a killer and will be hanged as soon as they reach the next town But between these men and civilization lies an expanse of hell Not far from the outpost they find a family slaughtered by the Comanche The outpost should mean safety but the army has gone to hunt the Indians leaving behind no one but a tubercular corporal a green lieutenant and a group of wandering ladies The party hunkers down to pray for reinforcements but there will be more arrivals at the outpost before the Comanche strike As Big John waits for deliverance he wonders where the real danger lies in the moonlit desert sands or inside the walls of the fort Letters from a Life Volume 3 (1946-1951) Benjamin Britten, 2011-07-07 The third volume of the annotated selected letters of composer Benjamin Britten covers the years 1946 51 during which he wrote many of his best known works founded and developed the English Opera Group and the Aldeburgh Festival and toured widely in Europe and the United States as a pianist and conductor Correspondents include librettists Ronald Duncan The Rape of Lucretia Eric Crozier Albert Herring Saint Nicolas The Little Sweep and E M Forster Billy Budd conductor Ernest Ansermet and composer Lennox Berkeley publishers Ralph Hawkes and Erwin Stein of Boosey and the celebrated tenor Peter Pears Britten's partner Among friends in the United States are Christopher Isherwood Elizabeth Mayer and Aaron Copland and there is a significant meeting with Igor Stravinsky This often startling and innovative period is vividly evoked by the comprehensive and scholarly annotations which offer a wide range of detailed information fascinating for both the Britten specialist and the general reader Donald Mitchell contributes a challenging introduction exploring the

interaction of life and work in Britten's creativity and an essay examining for the first time through their correspondence the complex relationship between the composer and the writer Edward Sackville West **Apocalypse Ark** Don

Pendleton, 2013-06-01 **WITHOUT MERCY** It's Judgment Day for the Church as militant members of a secret cult plot to destroy the Vatican and usher in the Apocalypse These so-called soldiers of God arrive armed with a weapon of divine power which they claim is the biblical Ark of the Covenant stolen from its holy shrine in Ethiopia Their campaign to purge the earth of heretics has begun As the cult's hellish agenda spills blood in cities across the globe panic spreads Mack Bolan's mandate becomes to neutralize the threat by direct means His counterstrike begins on the ground in Ethiopia tracking the murderous trail toward Rome And he demands the ultimate sacrifice from those willing to kill for their faith death by Executioner

Buffalo Soldiers in the West Bruce A. Glasrud, Michael N. Searles, 2007 In the decades following the Civil War scores of African Americans served in the U S Army in the West The Plains Indians dubbed them buffalo soldiers and their record in the infantry and cavalry a record full of dignity and pride provides one of the most fascinating chapters in the history of the era This anthology focuses on the careers and accomplishments of black soldiers the lives they developed for themselves their relationships to their officers most of whom were white their specialized roles such as that of the Black Seminoles and the discrimination they faced from the very whites they were trying to protect In short this volume offers important insights into the social cultural and communal lives of the buffalo soldiers The selections are written by prominent scholars who have delved into the history of black soldiers in the West Previously published in scattered journals the articles are gathered here for the first time in a single volume providing a rich and accessible resource for students scholars and interested general readers Additionally the readings in this volume serve in some ways as commentaries on each other offering in this collected format a cumulative mosaic that was only fragmentary before Volume editors Glasrud and Searles provide introductions to the volume and to each of its four parts surveying recent scholarship and offering an interpretive framework The bibliography that closes the book will also commend itself as a valuable tool for further research **Ellicott's Bible**

Commentary, Volume 1 Ellicott, Charles, 2015-10-29 rote this exceptional Bible commentary to be used for Pastors and Students It is written to be explained rather than to be technical so that as to reach all English readers Charles Ellicott focuses on the English explanation rather than the Greek and addresses the expository side less than the technical since this does not contain Greek words or terminology Dr Charles Ellicott assembled and edited this commentary utilizing 28 different authors including Rev Payne Smith Rev C J Elliott and Rev C H Waller This is a must have for anyone desiring a greater understanding of the Bible as a whole The scripture and commentary are on the same page making it easy to read and understand This commentary is one that you will treasure in your library and you will not want to let this one pass you by
