

Long Reining

Jane Myers

Long Reining:

Lungeing and Long-Reining Jennie Loriston-Clarke, 2006-02-06 This manual offers a step by step guide to the art of training exercising and suppling horses from the ground by a leading exponent of the art Starting with training foals and young horses the author works through to perfecting in hand piaffe and passage explaining how to master each stage on the way *Lungeing, Long-Reining and In-Hand Schooling* Claire Lilley, 2017-05-31 Schooling the horse is not just about riding many problems or misunderstandings between horse and rider can and should be sorted out on the ground before attempting to ride at all This book explains how to school your horse from the ground starting with fundamental techniques and gives progressive exercises to work through It explains the importance of stretching work how to establish a correct outline and how to build strength and suppleness Remedial work is also included to improve crookedness unbalance and stiffness for example Also covered is the use of training aids where necessary and schooling over ground poles and cavaletti as well as jumping the horse on the lunge Observing your horse working without a rider gives you valuable insight as to the correctness of his paces how his muscle development can be improved and his general attitude and willingness When your horse is moving beautifully on his own there is no reason why he cannot do the same with you in the saddle *Long Reining* Alfons J. Dietz, Daniela Bolze, 2003-01-01 Long reining might be thought of as a means of training a horse at a safe distance from the ground The horse is controlled by means of extended double reins and is made to circle its trainer who is able to observe and correct the horse s gait Long reining is used for exercising lame or convalescing horses for correcting poor gait and for training horses for dressage This book illustrates the various aspects of this complex but invaluable training aid **All about Long Reining** Paul Fielder, 1999 International dressage trainer Paul Fielder shows how his methods achieve success with schooling the horse from the ground He covers equipment rein handling and basic skills then progresses to improving the horse s balance and self carriage **Long Reining** Philippe Karl, 2003 This classic book demonstrates the French method of training a horse in long reins and how it is possible to attain as high a standard of schooling from the ground as that reached under saddle **Training Aids** Carolyn Henderson, 1999 The author of Training Aids assesses each piece of equipment and provides valuable information as to its correct fitting action and result She also identifies the best training aids to help specific problems **Basic Training for Horses** Gaydell M. Collier, Eleanor F. Prince, 2010-12-01 Two experts tap their years of experience to present every aspect of basic training in both English and Western styles from psychological principles to dressage show and trail training B W photographs throughout **Long Reining** Wilfried Gehrmann, 2023-11-28 The art of long reining long lining directing the horse from the ground with two extended reins to reach the trainer s hands is incredibly beneficial for both horse and rider It provides a means of conditioning a young horse before he is strong enough to support a rider It is a way to rehabilitate a horse who may be coming back into work after extended time off It can be a safe alternative for schooling an animal with behavioral challenges that make riding dangerous

And of course it is wonderful preparation for both riding and driving as it teaches the horse to respond to the rein and voice aids and it provides the handler with an understanding of the horse's body language comprehension of the lesson and reactions to training challenges If long reining is an essential building block in a horse's training this book is the essential building block in every horse person's education In these pages the world's long reining maestro Wilfried Gehrmann provides the basics to preparing the horse and handling the reins and whip as well as positioning of the handler's body both when moving with the horse and when asking the horse to move around you in long circles and other figures Gehrmann also introduces the progressive training that can be accomplished on the long reins according to the classical Training Scale providing readers a foundation that allows for more creative uses of the technique as conditioning and abilities in both horse and rider increase For those with interests in dressage and performance he provides instructions for correctly developing both piaffe and passage on the ground before attempting them under saddle A book that is a timeless solid reference that intends to help more people work with their horses in diverse and beneficial ways and with pages full of useful tips gathered over a lifetime of studious practice by one of the technique's very best **Long Reining The Classical Training Method** is a brilliant and valuable groundwork education for every trainer and rider whatever their discipline The Carriage Journal Jill Ryder, 2012-10-01 **So Many Colors the Romani Caravans of Jim Lawes** Harriet Crowther by KEN WHEELING The Importance of Stopping an analysis of the mechanics of carriage brakes part 2 by the late DR GORDON S CANTLE Windows to the Past a look at some of Amesbury's carriage houses by JONATHAN BAILEY **Long Reining to Break Horses to Harness** Heinrich Freiherr von Senden, 2009 **RIDING HORSEMANSHIP** Working with long reins is an ideal and above all safe way to break horses to harness and to train the driving horse correctly This book is an essential training book for all drivers and horse trainers Heinrich Freiherr von Senden a successful driver and horse trainer has developed a structured training programme Beginning with work on the single lunge moving on to long reins and then on to the initial hitching he gives tips and advice from his accumulated wealth of experience explaining how potential problems can be successfully resolved

Re-Educating Racehorses Fred Cook, Rowena Jane Simmonds, 2013-06-30 This fully comprehensive book guides the reader through the process of acquiring and subsequently re-training a racehorse It provides an in depth look at what life was like for the horse at the racing yard and how through correct training and education you can train your horse to become a happy adjusted athlete ready for everyday equestrian activities Contents include What to consider when rehoming a racehorse out of training Under New Management how to ensure a smooth transition Feeding and Nutrition how diet affects performance Working from the ground a detailed look at the importance of groundwork training Re-schooling what is required of you and your horse A practical book that guides the reader through the process of acquiring and re-training a racehorse and gives advice on how you can train a horse to achieve a number of different levels depending on how advanced you wish to go Superbly illustrated with 158 colour photographs Fred Cook and Rowena Simmonds are experienced trainers

and handlers of difficult temperamental and sensitive horses Teach Your Horse Long-Reining with Positive Reinforcement Hertha James, 2017-11-10 Teaching long reining has a variety of purposes We may want to Keep small ponies and donkeys active and interested Develop a young horse s education about voice and rein signals for walk on halt back up turn left and turn right before he is old enough to ride Prepare our horse pony donkey mule for work in harness Have another horse activity we can do without riding Build a timid horse s confidence about moving out in front as he must do when ridden Keep an older or retired horse supple with low key activities Be able to send the horse out ahead of us over between and through obstacles for non ridden Horse Agility competitions This book isolates the foundation skills needed for long reining and arranges them into a Training Program On completion of the program long reining falls into place smoothly as all the elements are brought together If you do not yet use positive reinforcement in the form of equine clicker training the book includes a full chapter on how to get started safely The final chapter includes nineteen patterns to generalize and consolidate the long reining skills of the handler and the horse Over a hundred illustrations plus free links to more than twenty short YouTube video clips support the written text Solving Equine Behaviour Problems Rose M. Scofield, 2020-09-22 Horses can develop a range of behavioural problems which if left untreated could cause the relationship between horse and human to break down With many different well meaning opinions offered to solve such situations it can be difficult to find the right path In this book Rose Scofield examines behavioural issues using the latest academic research Offering practical solutions and with useful diagrams and photographs throughout the book helps to protect and develop the horse human relationship

Positive Horses Patti Dammier PhD, 2019-09-25 Horse training isn t a mystical procedure In fact there isn t mystery in the methods necessary to teach any skill To learn any skill there is a logical sequence that if adhered to allows a behavior to be taught and learned Creating a Positive Horse consists of using positive methods which in turn creates a positive attitude *Positive Horses* explains those positive methods necessary to create horses that perform on taught learned cues both on the ground and in the saddle that are systematically rewarded but also have an extremely positive attitude to their trainer companion The system uses the method Behavior Modification This book is about Explanation of basic educational methods using systematic sequences that support training horses Creating the goals and objectives for each individual horse rather than a one size fits all approach Training using positive reinforcement how food rewards creates useable cues instead of the trainer performing meaningless behavior that the horse doesn t understand Horses learning basic cues come stand walk on and halt which provides safety on the ground and assists in the next work in the saddle Applying basic training to other equestrian disciplines Addressing training method failure because the trainer doesn t assess the correct the behavior to reward and doesn t understand the methods Horse case studies exemplifying the use of behavioral methods **Natural Methods for Equine Health and Performance** Mary Bromiley, 2009-03-16 *Natural Methods for Equine Health and Performance* Second Edition presents an overview of a natural approach to horse care and management for the 21st century

It provides sensible and readable advice on natural horsemanship contrasting natural and domestic habitats A range of holistic methods of treatment are covered including acupuncture massage herbalism homeopathy and schooling exercises used by the Classical School Mary Bromiley has an excellent reputation for achieving results using natural methods for muscle re education This book will be useful to anyone who owns or routinely works with horses *Long Reining* Thomas Ritter,2015-06 It is no wonder that more and more riders are discovering the old tradition of long reining for themselves It helps the horse to improve his balance and ability to collect without the weight of the rider and it lends itself well to training difficult movements in a horse friendly manner Dr Thomas Ritter explains the correct aids from the beginning through Haute cole in practical terms Thanks to the discussion of frequent mistakes and their corrections long reining novices and experienced trainers alike can find much new information here The author s passion and enthusiasm for long reining are evident throughout Many helpful tips invite you to experiment *Library of Congress Subject Headings* Library of Congress,Library of Congress. Subject Cataloging Division,Library of Congress. Office for Subject Cataloging Policy,2013

Fine Riding Susan McBane,2021-09-30 Equitation Science together with classical riding is today probably the most humane effective and practical way of training and enjoying the horse competitive or not To avoid getting involved is to accede to the status quo Our horses deserve better Sharon E Cregier Ph D FIAH Hon Edin founding member of Equine Behaviour Forum In precise practical language Fine Riding describes how to blend the principles of classical riding with the modern findings of Equitation Science demonstrating how to put the principles into practice when training and riding horses The book encompasses the author s lifelong background in authentic classical riding and a 17 year study and practice of Equitation Science It presents the best of the old with the best of the new resulting in a unique and rational blend of principles clearly explained that enables and encourages readers to train ride and care for their horses truly effectively and humanely Applicable to riding of all schools of thought from hacking to racing including jumping McBane s method is more than simply another system of riding It applies the results of rigorous scientific studies to the historical classical training and riding of horses in an ethical humane and effective way explaining the principles in such a way that readers will feel able to put it into effect themselves This book will encourage horse owners to serve their horses with renewed understanding and commitment **Horse Safe** Jane Myers,2005 Horse Safe covers safety around horses in detail and aims to raise awareness of what can happen Beginning with an explanation of a horses natural behavioral characteristics such as herd behavior intelligence and body language the author then presents the more human aspects of horse safety safety equipment and how it should be maintained the working environment systems for safe horse management safe riding training for safe horses and transporting horses safely The book concludes with a chapter on how to reduce the risks when buying a horse and how to avoid potential pitfalls *Long Reining with Double Dan* Dan James,Dan Steers,2016 Are you ready to build a stronger partnership with your horse Hoping to achieve a remarkable softness from the ground before you swing into the saddle

Starting a youngster or working to overcome training and behavioral problems in an older mount Becoming bored with endless round penning Australian equestrian stars Dan James and Dan Steers of Double Dan Horsemanship are here to show every horse owner the basic steps to an infinitely useable training skill long reining If ever there was hidden treasure in the diverse and ever evolving realm of horsemanship it is this underused but incredibly valuable practice Long reining benefits every equestrian discipline as James and Steers demonstrate improving the horse s self carriage and responsiveness to the aids and your feel and timing like nothing else and all from a safe and controlled position on the ground Bring long reining into your barn with these 20 easy to understand lessons explained step by step with full color photographs including how to use and hold long reins how to introduce them to your horse how to navigate with accuracy and change speed and how perform lateral work that improves your horse s flexibility and overall movement You and your horse will enjoy the drive

Getting the books **Long Reining** now is not type of challenging means. You could not lonely going past ebook deposit or library or borrowing from your links to get into them.
