Long Way From Heaven:

Hearts and Mines Terrence Weatherbe, 2020-10-22 This book is about heroes and victims often playing both roles at the same time The storied characters are common people generally country people dealing with the affairs of life and of the heart There is humor and there is pathos There is also hope This book has poems for men and for women for the old and for the young people They are slices of real life served in digestible portions There are elements of war in this book from both perspective of the dove and the hawk Unlike many offerings in the world today the contents are clear and easily understood I know that people today will get much enjoyment to reading the poems in the book *A Long Way Home* Terence

Dillon, 2013-12-11 *A Long Way Home* is a dramatic and tension filled fictional story that explores the relationship between the English and the Irish in the late nineteenth century It provides a fascinating insight into the issues created when those looking for conciliation come into conflict with those relying on confrontation in the struggle for Irish independence The book traces the experiences of Paul Doherty an Irishman immigrant In a story that raises important issues of race class religion sex violence and secret societies Doherty struggles to look for conciliation rather than confrontation bringing him into conflict with his great friend and fellow Irishman Will who is a member of the Irish Republican Brotherhood The theme of confrontation and conciliation continues through the relationships Doherty has with the English arch racist Maurice Whitehouse and the English philanthropist William Harding The book also draws upon comparisons between life in rural Ireland and the dark streets of an English industrial town of the late nineteenth century as it builds to a powerful conclusion of romance and violence **The Long Way Home** Mariah Stewart, 2013-01-29 NEW YORK TIMES BESTSELLER Mariah
