

The Longest Wait

THE BRIEF

Dogs rescued from the streets, under and sheltered shelter dogs have a far longer wait to adoption. If they're adopted at all. Statistics, a long-term partner of the ASPCA, and the ASPCA, with the highest percentage of dog rescues, are determined to help end this discrimination and close the gap between these dogs' rights.

THE EXECUTION

By combining the shelter dog's story, waiting - and waiting - with the shelter dog's story, we created an unforgettable story that helped for the long, lonely most unwanted shelter dogs that were. These long-term dogs lived in a shelter, and we helped them find a home. The sheltered these animals around while waiting to be adopted.

THE RESULTS

The campaign is one of the ASPCA's most successful shelter adoption stories, leading to thousands of under and sheltered shelter dogs finally finding the home they deserve.
