Alphabetically arranged entries explain the devices techniques history theory and terminology of poetry from the Classical period to the present , Strange Likeness Dora Zhang, 2020-11-10 The modern novel so the story goes thinks poorly of mere description what Virginia Woolf called that ugly that clumsy that incongruous tool As a result critics have largely neglected description as a feature of novelistic innovation during the twentieth century Dora Zhang argues that descriptive practices were in fact a crucial site of attention and experimentation for a number of early modernist writers centrally Woolf Henry James and Marcel Proust Description is the novelistic technique charged with establishing a common world but in the early twentieth century there was little agreement about how a common world could be known and represented Zhang argues that the protagonists in her study responded by shifting description away from visualizing objects to revealing relations social formal and experiential between disparate phenomena In addition to shedding new light on some of the best known works of modernism Zhang opens up new ways of thinking about description more broadly She moves us beyond the classic binary of narrate or describe and reinvigorates our thinking about the novel *Strange Likeness* will enliven conversations around narrative theory affect theory philosophy and literature and reading practices in the academy

Re-cognizing W.E.B. Du Bois in the Twenty-first Century Mary Keller, Chester J. Fontenot, 2007 Abstract *The Poetics of Devotion* Rachel Dwyer, 2001 This text introduces a major poet scarcely known to scholars outside Gujarat in India Kavi Dayarambhai 1777 1852 and analyses the poet's place in the history of Indian literature **Breaking New Ground** W. Michael Mudrovic, 1999 Each of these works is meticulously structured around a two poem section that gives each its unique configuration and character Yet at the same time each poem maintains its individual independence and singular integrity

BOOK JACKET In *Breaking New Ground* W Michael Mudrovic presents a comprehensive reading and detailed analysis of Rodriguez's work to date including *Casi una leyenda* BOOK JACKET Metaphor in Educational Discourse Lynne Cameron, 2003-03-13 *Metaphor in Educational Discourse* is a superb piece of applied linguistics research that integrates Vygotsky's theory of concepts with current work on metaphor into a coherent framework for investigating how teachers and learners negotiate figurative language in order to promote development in the classroom setting In what is likely to become the standard for future studies in this area Lynne Cameron meticulously demonstrates the central role of linguistic metaphors in classroom learning designed to lead learners to a deeper understanding of complex mathematical and scientific concepts James P Lantolf Professor of Applied Linguistics The Pennsylvania State University This book reports research into metaphor in use with school students The setting for the research is a UK school and the participants are around ten years

old with their first language well established but still developing concepts and understandings Close examination of a corpus of classroom spoken discourse reveals how metaphor is employed by their teachers not just in explaining ideas but in managing and mediating the activity of the classroom and the learning of the students Particular issues discussed include the problems of identifying metaphors in spoken discourse the conventionalism of metaphors in the discourse of socio cultural groups and how a socio cultural approach can account for systematicity in metaphor use
