Look!* Pepper Stetler,2015-12-07 In the second half of the Weimar period 1918 33 photographers produced books consisting almost entirely of sequenced images The subjects ranged widely from plants and nature to the modern metropolis from exotic cultures to the German Volk from anonymous workers to historical figures While many of the books were created by key practitioners and theorists of modern photography scholars have rarely addressed the significance of the book format to modern conceptions of photographic meaning The term photo essay implies that these photographic books were equivalent to literary endeavors created by replacing text with images but such assumptions fail to explore the motivations of the books makers Stop Reading Look argues that Weimar photographic books stood at the center of debates about photography s ability to provide uniquely visual forms of perception and cognition that exceed the capacity of the textual realm Each chapter provides a sustained analysis of a photographic book while also bringing the cultural social and political context of the Weimar Republic to bear on its relevance and meaning Beats and Blow Shaun Sinclair,2023-01-24 With an exceptional voice that combines the explosive drama of Kiki Swinson and the lyrical writing style of Devon Scott Shaun Sinclair Army veteran and originator of the Gangsterotica subgenre follows Dirty Music with the fourth Crescent Crew installment In this crew friendships are rocked by successful music careers brutal gang assassinations and love lost all while offering a unique glimpse into the rise of hip hop in the South His empire is worth a billion thanks to the drug fueled wealth of his infamous Dirty South crew But with unanticipated enemies gathering for a final devastating hit will there be anyone left to rule Even near fatal business and body blows can t keep the Crescent Crew down for long From lockdown their founder and leader Qwess negotiates an unlimited supply of product that s tripling the profits lost when the Feds swept in But his treacherous second in command Bone has a secret agenda at play that s sparking a brutal internal war And when Qwess s old rival New York mogul Diamond comes gunning to finish him and his kingdom for good betrayal and payback will win the day and could leave nothing and no one standing **Look What God Did for Our Marriage** Sheryl Foulk Rogers-Ramirez,2008-09 This story begins in 1991 when Sheryl meets her second husband named Richard Her expectations are different than they were for her first marriage That said she never dreams that it will become so awful Unfortunately physical abuse is a part of the story Divorce seems a clear and almost certain option Sheryl has

always believed that God helps those who help themselves which is not biblical Like most people she believes it is up to her to fix herself and her marriage But nothing she does works The level of desperation is tremendous a desperation that Sheryl has rarely experienced But then God Sheryl finally turns everything over to God God steps in and wow the old ugly marriage dies and what is left is better than a dream come true Everything is brand new squeaky clean and joyful Jesus was is and always will be the center the bottom the top and both sides There really is no life without Christ Jesus
