Look What I See Where Can I Be In The Neighborhood:

Neighborhood Watch Shawn E. Fields, 2022-06-09 Although racism has plagued the American justice system since the nation's colonial beginnings private White Americans are taking matters into their own hands From racist 911 calls and hoaxes to grassroots voter suppression and vigilante self defense concerted efforts are made every day by private citizens to exclude Black Americans from schools neighborhoods and positions of power *Neighborhood Watch* examines the specific ways people police America's color line to protect White spaces The book charts how these actions too often result in harassment arrest injury or death yet typically go unchecked Instead these actions are promoted and encouraged by legislatures looking to expand racially discriminatory laws a police system designed to respond with force to any frivolous report of Black mischief and a Supreme Court that has abdicated its role in rejecting police abuse To combat these realities *Neighborhood Watch* offers preliminary recommendations for reform including changes to the maximum policing state increased accountability for civilians who abuse emergency response systems and proposals to demilitarize the color line

Neighborhood Watch Joseph Turkot, 2016-08-29 Fall 1995 Holson is a sleepy middle class suburb whose most interesting news amounts to farmer's markets and Friday night football games When young Brandon Grey disappears no one thinks he'll be missing for long When another boy vanishes parents begin to worry about their children When bodies turn up in the local river cut to pieces stuffed inside industrial strength black trash bags the town begins to shut down The day that Brandon Grey is last seen walking home from school by teachers two young boys are starting a street hockey game A man stops at the end of their block takes a picture of them and drives off All they catch is the model and color of the car he's driving Jake and Colin fueled by their ambition to form a detective club decide to go searching for the car that haunts them They soon take it upon themselves to find Brandon Grey As tensions in town rise and so does the body count they find themselves deep in a mystery they never bargained for closer to the serial killer than they could have ever imagined *Neighborhood Watch*
