The Crossroads of Space and Time Charles, Irene Nickerson, 2015-02-13 Captain Bancroft couldnt believe this resort The beaches were pristine The rooms were comfortable Everything was so relaxing The only area off limits was the northern beaches and an area they called the trench He asked a Mr Jones why Mr Jones told him that since he was head of security He would take him out to the cliffs and show him the reason While out there they saw a large sea bird flying over the water That was when a large shark leaped from the water and snatched it from the air Mr Jones pointed out that is why the northern beaches and the trench were off limits Bancroft decided that was a good reason The rest of the crew was just having a good time Mrs Svedberg ran the resort like a general The service staff seemed happy despite the fact that she seemed demanding to work for He also was confused by the large canus that seemed to have free run of the island Till he was told they were part of the security detail Yet he liked what he saw These Maxumus were good at what they did Bancroft decided he was a lucky bear At the very least his life would probably never be boring He was going to be right
