Ayers, 2014-06-11 Winner of the 2004 Gradiva Award from the National Association for the Advancement of Psychoanalysis The issue of shame has become a central topic for many writers and therapists in recent years but it is debatable how much real understanding of this powerful and pervasive emotion we have achieved Mother Infant Attachment and Psychoanalysis argues that shame can develop during the first six months of life through an unreflected look in the mother's eyes and that this shame is then internalised by the infant and reverberates through its later life The author further expands on this concept of the look through a powerful and extensive study of the concept of the Evil Eye an enduring universal belief that eyes have the power to inflict injury Finally she presents ways of healing shame within a clinical setting and provides a fascinating analysis of the role of eye contact in the therapeutic encounter This book brings together a unique blend of theoretical interpretations of shame with clinical studies and integrates major concepts from psychoanalysis Jungian analysis developmental psychology and anthropology The result is a broad understanding of shame and a real understanding of why it may underlie a wide range of clinical disorders Looking into the eyes of a poet Mekesha Serrette, 2012-06-25 Looking into the eyes of a poet is spiritually uplifting This book is about God's love and his devotion to us Worshipping him and thanking him for his divine interference in our lives Our spiritual experiences with the human community and nature the beauty of the earth and discovering the essence of our being **The Complete Book of Amulets & Talismans** Migene González-Wippler, 1991 Examine the infinite variety of charms and fetishes found in every civilization from the distant past to the present Learn the entire history of these tools their geography how they are part of each man and woman's search for connection with spiritual forces and how to make and use them Loaded with hundreds of illustrations this is the ultimate reference guide *THE NEW WORLD STORY* H.S. Sandhu, 2021-12-08 This story begins 1 728 000 years ago When a great war was going on in a different world of different dimensions The evil from that world came into our dimension and started taking control of this earth The warriors of that world took a new birth on our earth But these warriors did not remember anything about their previous birth The Department of State Bulletin , 1985-07 **Frankie Abbott's Great Big Book of Horror Stories** Frankie Abbott, 2022-11-07 If you enjoy being scared then these horror stories might just be up your street or down in your dark dank cellar If you're of a nervous disposition though well perhaps you should stay well away David Barry along with his alter ego Frankie Abbott of much loved sitcom Please Sir fame has whipped up this concoction of twisted and terrifying tales that'll test your nerves

The Sense of Sight in Rabbinic Culture Rachel Neis, 2013-08-29 This book studies the significance of sight in rabbinic cultures across Palestine and Mesopotamia approximately from the first to seventh centuries It tracks the extent and effect to which the rabbis living in the Greco Roman and Persian worlds sought to appropriate recast and discipline contemporaneous understandings of sight Sight had a crucial role to play in the realms of divinity sexuality and gender idolatry and ultimately rabbinic subjectivity The rabbis lived in a world in which the eyes were at once potent and vulnerable eyes were thought to touch objects of vision while also acting as an entryway into the viewer Rabbis Romans Zoroastrians Christians and others were all concerned with the protection and exploitation of vision Employing many different sources Professor Neis considers how the rabbis engaged varieties of late antique visualities along with rabbinic narrative exegetical and legal strategies as part of an effort to cultivate and mark a rabbinic eye

J.M. Coetzee and the Ethics of Power Emanuela Tegli, 2016-01-12 For I was not as I liked to believe the indulgent pleasure loving opposite of the cold rigid Colonel I was the lie that Empire tells itself when times are easy he the truth that Empire tells when harsh winds blow Thus the Magistrate confesses in Coetzee s 1980 novel *Waiting for the Barbarians* The present study looks closely into the unsettling effects Coetzee s novels have on the reader and explores the interconnectedness between stylistic choices and moral insights Its overall aim is to disclose the effectiveness of Coetzee s narrative strategies to prompt the reader to engage in self questioning and radical revisions of personal and social moral assumptions This is an original and ground breaking study of Coetzee s work Dr Tegli s insightful close readings highlight the ways in which Coetzee fictionalizes a variety of moral dilemmas In particular she shows how he turns narrative into an instrument for moral discernment Her narratological approach advances our understanding of his achievements and I can state without reservation that this book will be referred to as a landmark in Coetzee criticism Richard Bradford Research Professor and Senior Distinguished Research Fellow University of Ulster

Envy Mike Fabarez, 2023-11-07 It s often undetected but if you knew the damage it was causing you d do everything possible to root it out Envy It s insidious Pervasive Corrosive In the age of materialism and social media it s difficult not to feel the creep of this increasing and ever present temptation Pastor and teacher Mike Fabarez diagnoses the

problem of this pervasive sin He brings the reader to biblical stories with often overlooked ties to envy that expose and demonstrate the seriousness and harm caused by our unexamined motives When envy is allowed to reside unchecked in our hearts there are internal relational and societal costs Envy explores all of these But we are not left to despair Instead we are invited to know a kind and gracious Father who calls us to identify and assault this enemy We can live with satisfaction and contentment This book explores biblical ways to shore up our hearts and minds and close the gaps that leave us vulnerable to envy s temptations By understanding life in the body of Christ readers learn to truly rejoice with those who rejoice And we leave with a deeper capacity for grace and selfless love With a pastoral heart Fabarez reassures Christians of a divine hope and promise of an eternal kingdom where hearts are content and joy is full
