Bill O'Reilly, 2003-09-23 From the mega bestselling author of The O'Reilly Factor and The No Spin Zone a no holds barred exposé of the people and institutions who are letting Americans down and what we should do about it Bill O'Reilly is mad as hell and he's not going to let you take it anymore In his most powerful and personal book yet this media powerhouse and unstoppable truth teller takes on those individuals and institutions in American life who are failing in their duties big time In his inimitable style mixing wit pugnacity and plain common sense O'Reilly kicks butt and takes and also names names from crooked corporate weasels to venal politicians to lazy and or politically correct bureaucrats to sexually predatory priests and the Church hierarchy that protects them to a media establishment rife with political bias and economically hooked on violence and smut At the same time that he calls the famous and powerful to account he dares to get personal questioning just how much our closest friends families and lovers do look out for us and delivering a powerful message about personal responsibility and self reliance in an uncertain world He forces us to ask just how much genuine altruism is left in a society that thrives on self indulgence and ruthless competition Who's Looking Out for You is a book that boldly confronts our worst fears and biggest problems in a post 9/11 post corporate meltdown world Its sage candid advice on regaining control and trust in these troubled times will resonate with the millions of readers and viewers who have come to believe in Bill O'Reilly as the man who speaks for them
