Looking For Me:

Look Me in the Eye John Elder Robison, 2008-09-09 NEW YORK TIMES BESTSELLER As sweet and funny and sad and true and heartfelt a memoir as one could find from the foreword by Augusten Burroughs Ever since he was young John Robison longed to connect with other people but by the time he was a teenager his odd habits an inclination to blurt out non sequiturs avoid eye contact dismantle radios and dig five foot holes and stick his younger brother Augusten Burroughs in them had earned him the label social deviant It was not until he was forty that he was diagnosed with a form of autism called Asperger s syndrome That understanding transformed the way he saw himself and the world A born storyteller Robison has written a moving darkly funny memoir about a life that has taken him from developing exploding guitars for KISS to building a family of his own It s a strange sly indelible account sometimes alien yet always deeply human **Look Me in the Eye**

Mark L. Massaglia, 2018-01-16 Emotional powerful moving and enlightening are all words used to describe this unusual drama Centered around three students with disabilities the play uses a blend of humor and emotion to reveal that Angela Katie and Bruce have a lot more in common with their walking talking classmates than most people think An almost bare stage and a variety of roles provide opportunities for a creative production that is sure to be meaningful to everyone involved
