Looking At Women:

Ladies, Please! José Covaco, 2014-07-11 Try as you may you won't get the answer because we're guys and we come from Mars where it's an alien eat alien world. Most of the time we're confused as heck and need a girl to set us straight but all the other times we pretty much know what we want. The same way how we can't figure you out and why you need so many pairs of shoes we too can be hard nuts all puns intended to crack. Girls rule. That's a fact no guy can deny. That said there are a few things about you that drive us crazy and make us go running across continents and enroll into witness protection programmes to get as far away from you as possible. Here's a book that'll help you if not figure us out save you from a few nasty dates and know when to run screaming because at the end of the day boys will be boys. Women's Bodies Jane Arthurs, Jean Grimshaw, 1999-03-01 The articles in this volume consider the prevailing standards of feminine decorum and how these are being played with and challenged by various media. This is a collection of essays which focuses on the representation of women's bodies in historical and contemporary cultures. It discusses recent books on the subject and compares the two different approaches to the body adopted by the soft porn magazine *For Women* and the women's monthly *Cosmopolitan*. It also examines TV cult figures such as the comic body exemplified by comedienne Joe Brand and situation comedies such as *Absolutely Fabulous*. **Daily Life of Women in Postwar America** Nancy Hendricks, 2021-02-15 From Beatniks to Sputnik and from Princess Grace to Peyton Place this book illuminates the female half of the US population as they entered a brave new world that revolutionized women's lives. After World War II the United States was the strongest most powerful nation in the world. Life was safe and secure but many women were unhappy with their lives. What was going on behind the closed doors of America's picture perfect houses. This volume includes chapters on the domestic economic intellectual material political recreational and religious lives of the average American woman after World War II. Chapters examine topics such as the entertainment industry's evolving concept of womanhood Supreme Court decisions the shifting idea of women and careers advertising rural urban and suburban life issues women of color faced and child rearing and other domestic responsibilities. A timeline of important events and glossary help to round out the text along with further readings and a bibliography to point readers to additional resources for their research. Ideal for students in high school and college this volume provides an important look at the revolutionary transformation of women's lives in the decades following World War II. Feminist Interrogations of Women's Head Hair Sigal Barak-Brandes, Amit Kama, 2018-06-13 Feminist scholarship has looked extensively at the perception of the body as a flexible construction of cultural and social dictates but head hair has been often overlooked. *Feminist Interrogations of Women's Head Hair* brings new focus to this underrepresented topic through its intersections with contemporary socio-cultural contexts. Scholars from a wide range of disciplines investigate private and public meanings associated with female head hair problematising our assumptions about its role and implications in the 21st Century. Readers are invited to reflect on the use of hair in popular culture such as children's television and pop

album artwork as well as in work by women artists Studies examine the lived experiences of women from a range of backgrounds and histories including curly haired women in Israel African American women and lesbians in France Other essays interrogate the connotations of women's head hair in relation to body image religion and aging Feminist Interrogations of Women's Head Hair brings together cultural discourses and the lived experiences of women across time and place to reveal the complex and ever evolving significance of hair It is an important contribution to the critical feminist thought in cultural studies fashion studies media studies African American studies queer theory gerontology psychology and sociology

Mongrels, Bastards, Orphans, and Vagabonds Gregory Rodriguez, 2008-10-14 An unprecedented account of the long term cultural and political influences that Mexican Americans will have on the collective character of our nation In considering the largest immigrant group in American history Gregory Rodriguez examines the complexities of its heritage and of the racial and cultural synthesis mestizaje that has defined the Mexican people since the Spanish conquest in the sixteenth century He persuasively argues that the rapidly expanding Mexican American integration into the mainstream is changing not only how Americans think about race but also how we envision our nation Brilliantly reasoned highly thought provoking and as historically sound as it is anecdotally rich *Mongrels Bastards Orphans and Vagabonds* is a major contribution to the discussion of the cultural and political future of the United States

Brown Beauty Laila Haidarali, 2018-09-25 Examines how the media influenced ideas of race and beauty among African American women from the Harlem Renaissance to World War II Between the Harlem Renaissance and the end of World War II a complicated discourse emerged surrounding considerations of appearance of African American women and expressions of race class and status *Brown Beauty* considers how the media created a beauty ideal for these women emphasizing different representations and expressions of brown skin Haidarali contends that the idea of brown as a respectable shade was carefully constructed through print and visual media in the interwar era Throughout this period brownness of skin came to be idealized as the real representational and respectable complexion of African American middle class women Shades of brown became channels that facilitated discussions of race class and gender in a way that would develop lasting cultural effects for an ever modernizing world Building on an impressive range of visual and media sources from newspapers journals magazines and newsletters to commercial advertising Haidarali locates a complex and sometimes contradictory set of cultural values at the core of representations of women envisioned as brown skin She explores how

brownness affected socially mobile New Negro women in the urban environment during the interwar years showing how the majority of messages on brownness were directed at an aspirant middle class By tracing brown s changing meanings across this period and showing how a visual language of brown grew into a dynamic racial shorthand used to denote modern African American womanhood *Brown Beauty* demonstrates the myriad values and judgments compromises and contradictions involved in the social evaluation of women This book is an eye opening account of the intense dynamics between racial identity and the influence mass media has on what and who we consider beautiful 7 best short stories - Coming of Age Kate Chopin, George Moore, Sherwood Anderson, Katherine Mansfield, Nathaniel Hawthorne, James Joyce, August Nemo, 2020-05-12 Becoming an adult is a difficult process often painful and always unforgettable Cultures and religions have always tried to demarcate this passage with a rite or public ceremony but the internal process of each one is unique Join us in these seven stories carefully selected by critic August Nemo *Caline* by Kate Chopin *My Kinsman Major Molineux* by Nathaniel Hawthorne *I m a Fool* by Sherwood Anderson *Her First Ball* by Katherine Mansfield *I Want to Know Why* by Sherwood Anderson *So On He Fares* by George Moore *Araby* by James Joyce The Changing Consumer Cultures of Modern Egypt Mona Abaza, 2006-12-01 This book consists of a collage of images that attempts to convey the transformation of consumer culture and how it is related to the urban reshaping of the city of Cairo to meet with the demands of globalisation Analyzing the shift from socialist economy to the opening up of Egypt s economy and how this has affected everyday life of the middle classes the author touches on various themes such as the general changing lifestyles and conspicuous consumption the spread of mobile phones and coffee shops the gated communities and secondary resorts The folklorisation of culture through the flowering tourist industry the expansion of local crafts plastic surgery and the body as a site of consumption are all analysed Although being influenced by the discourse of the Frankfurt school on the culture industry this work attempts to highlight the paradoxes pertaining to the democratising effects of consumer culture without denying the growing flagrant class polarisation **Body Work** Sylvia K. Blood, 2004-03-01 Are scientific facts about body image enough to define conceptions of normality Reassessing Experimental Psychology from a critical perspective Sylvia Blood demonstrates how its research into Body Image can be misused and prone to misuse Classifying women who experience distress and anxiety with food eating and body size as suffering body image disturbance or body image dissatisfaction it can reproduce dominant assumptions about language meaning and subjectivity Experimental psychology s discourse about body image has recently become more widely influential becoming popularised through domains such as women s magazines in which psychological experts provide facts about women s body image problems and offer advice and psychological treatments With acute cross disciplinary awareness *Body Work The Social Construction of Women s Body Image* exposes the assumptions at work in the methods and status of experimental approaches Penetrating beyond the usual dichotomy between experimental and popular psychology this book illuminates some of the ways in which women s magazines have embraced

experimental psychology's treatment of the issue Drawing on her experience in Clinical Psychology Sylvia Blood highlights the damaging effects of uncritically experimental views of body image She goes on to elaborate not only an alternative model of discursive construction but also the implications of such a theory for clinical practice Merging theory and clinical experience Sylvia Blood exposes the fallacies about women's bodies that underpin experimental psychology's body image research She demonstrates the dangerous consequences of these fallacies being accepted as truths in popular texts and in the talk of everyday women
