Bimanbehari Majumdar, 1997 Hindu Theology in Early Modern South Asia Kiyokazu Okita, 2014-07-31 Focusing on the idea of genealogical affiliation samprad ya Kiyokazu Okita explores the interactions between the royal power and the priestly authority in eighteenth century north India He examines how the religious policies of Jaisingh II 1688 1743 of Jaipur influenced the self representation of Gau ya Vai avism as articulated by Baladeva Vidy bh a a ca 1700 1793 Gau ya Vai avism centred around God K a was inaugurated by Caitanya 1486 1533 and quickly became one of the most influential Hindu devotional movements in early modern South Asia In the increasingly volatile late Mughal period Jaisingh II tried to establish the legitimacy of his kingship by resorting to a moral discourse As part of this discourse he demanded that religious traditions in his kingdom conform to what he conceived of as Brahmanically normative In this context the Gau ya school was forced to deal with their lack of clear genealogical affiliation lack of an independent commentary on the Brahmanic traditions and their worship of Goddess Radha and K a who according to the Gau yas were not married Based on a study of Baladeva s

Brahmas tra commentary Kiyokazu Okita analyses how the Gau yas responded to the king s demand **The Journal of Social Studies** ,1998 Sri Chaitanya's Life and Teachings Steven Rosen,2017-11-08 Tucked away in ancient Sanskrit and Bengali texts is a secret teaching a blissful devotional bhakti tradition that involves sacred congregational chanting kirtana mindfulness practices japa smara am and the deepening of one s relationship with God rasa Brought to the world s stage by Sri Chaitanya Mahaprabhu 1486 1533 and fully documented by his immediate followers the Six Goswamis of Vrindavan these unprecedented teachings were passed down from master to student in Gau iya Vaishnava lineages The Golden Avatara of Love Sri Chaitanya s Life and Teachings by contemporary scholar Steven J Rosen makes the profound truths of this confidential knowledge easily accessible for an English language audience In his well researched text modern readers spiritual practitioners scholars and seekers of knowledge alike will encounter a treasure of hitherto unrevealed spiritual teachings and be able to fathom sublime dimensions of Sri Chaitanya s method Using the ancient texts themselves and the findings of contemporary academics Rosen succeeds in summarizing and establishing Sri Chaitanya s life and doctrine for the modern world **Srila Prabhupada-lilamrta, volume 1** Satsvarupa Dasa Goswami, Srila Prabhupada lilamrta tells the story of a remarkable individual and a remarkable achievement The individual is A C Bhaktivedanta Swami Prabhupada philosopher scholar religious leader saint The achievement is the revolutionary transplantation of a timeless spiritual culture from ancient India to twentieth century America This first of two volumes begins with the story of the events leading up to Srila Prabhupada s meeting his guru an encounter that ignited in Srila Prabhupada a slowburning flame of desire to take Krishna consciousness to the Western world His early life was a period of patient and transcendent determination as he prepared for a mission that would later be crowned with astounding success In August and September of 1965 Srila Prabhupada traveled alone aboard a steamship from India to New York City with no more than the equivalent of eight dollars in his pocket and no institutional backing but with unshakable faith in Lord Krishna and the instructions of his spiritual master It is the 1960s an era in which the children of those who fought World War II were leading a sweeping revolt against a society losing its soul to godless mass consumerism Into this milieu Srila Prabhupada brought a vision for a new kind of society a society born of a radical transformation of human consciousness from materialism to the loftiest spiritual and ethical idealism By 1967 he had arrived in San Francisco s Haight Ashbury district America s counter culture capital where he continued his work of calling America s youth to live up to their higher spiritual ideals and distributing the holy name of Krishna indiscriminately By the end of the volume we have seen Srila Prabhupada in England meeting the Beatles Holland Japan Africa and finally back in India where he triumphantly returned with his dancing white elephants a group of his mostly Caucasian Western followers The research team assembled by the author traveled throughout the world to gather thousands of hours of interviews with hundreds of people who knew Srila Prabhupada diaries and memoirs from his students and more than seven thousand of Srila Prabhupada s letters Then the author and his team distilled this voluminous firsthand source

material into a rich composite view of Srila Prabhupada a dazzling and colorful picture of one of the most remarkable lives of our times

Srila Prabhupada-lilamrta, volume 2 Satsvarupa Dasa Goswami, Srila Prabhupada lilamrta tells the story of a remarkable individual and a remarkable achievement The individual is A C Bhaktivedanta Swami Prabhupada philosopher scholar religious leader saint The achievement is the revolutionary transplantation of a timeless spiritual culture from ancient India to twentieth century America This second volume begins in 1971 In the West Srila Prabhupada had firmly established the Krsna consciousness movement which his disciples were expanding in his absence This volume chronicles Srila Prabhupada s triumphant return to India and his plans for constructing temples in three crucial locations Bombay the center of India s wealth and business Vrindavana the sacred village where Lord Krsna lived and sported and Mayapur the holy birth site of Sri Caitanya Mahaprabhu who had inaugurated the Hare Krsna movement some five hundred years earlier These are vigorous years spent building a spiritual society in India and establishing centers around the world where people could contact the ancient orthodox faith of India in their own cities In this volume Srila Prabhupada circles the globe repeatedly speaking out on timely issues and defending his budding religious society against brainwashing charges in America and shady business practices in India Srila Prabhupada wanted to unite two worlds the lame man of India and the blind man of America A blind man can carry a lame man he said and together they can walk Similarly the combination of Indian spirituality and American technology can benefit the whole world His principal means of accomplishing this feat was to publish his books annotated translations of India s spiritual classics Under his guidance the Bhaktivedanta Book Trust was organized and by 1977 it had produced and distributed more than sixty million volumes of Srila Prabhupada s writings A final tour of India in 1977 took Srila Prabhupada eighty one and in failing health to the colossal Kumbha mela religious festival to Hrsikesha and finally back to his beloved Vrindavana The time for his passing had come he said As his anguished disciples flooded Vrindavana from all corners of the world Srila Prabhupada presented them with the greatest challenge and the greatest lesson of their young spiritual lives
