Speak Your Healing from the Homosexual Deception Bonnie M. Egglehand, 2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone [A Nurse to the Sick Body of Christ](#) Rose A. Ingutia, 2006-04-01 Worship in spirit and in truth has to be based on God s Word that regulates us on how we must worship Him The foundation of the regulative principle of worship is found in the first two commandments Self styled worship is unacceptable to God regardless of the good intentions Worship based on the traditions of men which were inspired by Satan are used as a sword and a shield against the truth In doing this they successfully execute that very purpose which Satan intends them to that of a false and perverse worship shielded by obstinacy A top priority in choosing a church to become a member should be based on no other criteria than that of a church that has its form of worship based on biblical principals

Deliverance and Spiritual Body Mapping Carolyn Steidley, 2016-06-13 Will you go to hell for me asked the Lord I remember standing in my living room stunned It took me a few days to be able to answer him I replied with a shaking Yes He then took me in a vision to the gates of hell I could smell the sulfur and feel the heat The gates were huge thick black iron they swung open as I approached I was standing on stepping stones just big enough for my feet and lava swirled around the stones I heard the Lords voice Dont be afraid Carolyn I have a net around you and yours I looked and saw a large net all around me I continued along the stones and then I saw it a hand reached desperately to me out of the lava I grabbed a hold and pulled for all I was worth The vision ended From that vision I learned there are people all around us who are in the own

Janet Lynn Garcia shares her personal journey to illustrate the transformative potential of a restorative relationship with God. This inspiring account shatters the misconception held by non-believers, new believers, and even seasoned believers that righteousness can be achieved through deeds alone. Instead, Garcia points to Romans 8:1, emphasizing that there is no condemnation for those in Christ Jesus, thereby underscoring the all-encompassing grace of salvation. Drawing extensively from the teachings in Isaiah 61, she sheds light on the healing process of those who turn to Jesus. The audience are guided towards wholeness through mending relationships with God, self-loved ones, and their future. This transparent narrative offers a powerful roadmap to healing for individuals wrestling with personal brokenness. Garcia's message is unequivocal: redemption and restoration are universally accessible, inviting everyone to embark on this journey from brokenness to blessings. *1000 Healing Prayers* John Wishstone, Cover Your Husband in Prayer. The Forgiving Wife Abby,2020-08-18 How did the book The Forgiving Wife come up It was the year 2007 when the Holy Spirit prompt me to write about my story At first I was reluctant and pulled back but the spirit of God kept pressing upon me I finally decided to start jotting information here and there As I started to gather more and more memories of my early marriage each day I realized that I didn t have a name for the book I then consulted God about giving me a name for the book Within ten minutes of me asking the Holy Spirit spoke quite clearly and said calmly The Forgiving Wife Not putting up a fight with what I heard and felt I continued writing As I gained confidence in writing my book my marriage once again started to spiral downhill in 2011 I then started to doubt my book and asked what sense was it to continue There was no way I could finish my book How would I end it Not sure of which way to steer my writing anymore I was forced to stop writing After taking another blow to my marriage in October of 2015 Two years later I finally realized that my battling marriage was far bigger than my husband and me This was far beyond our intellect I realized that we were not walking this road for ourselves but for someone else July 30th 2017 I began to consolidate all of the writing pieces into chapters After receiving approval from my husband to write about our personal behind the scenes relationship I then had a clearer understanding as to why I was writing this book in the first place It was to help broken and hurting women out there I wanted to let the world know that Jesus is still in the business of restoring healing changing and saving lives I m not asking you if Jesus can do it I m telling you that he can I urge readers that if you don t have Jesus as the head of your marriage and home get him because you will need him Some battles you win and some you lose Whatever the case may be don t allow your marital issues cause you to become so disoriented that you want nothing to do with life anymore Neither let them allow you to lose your integrity your dignity nor your identity At the end of the day both spouses must want the same thing This book is intended to help both men and women I explained in this book that fighting for your marriage is not an easy fight As a matter of fact in the book shows how difficult and discouraging it got for me at times I talked about how I was at my lowest point Where I felt like my breath was literally being snuffed away from me but God It talks about how I was so confused at times I almost lost my mind I do not suggest you stay in a marriage if the situation is life threatening This book does not talk about having a perfect marriage As a

matter of fact my book shows that my marriage is still far from perfect we must learn to accept imperfections as well You won t regret buying this book The content is intriguing the events are interesting and engaging And the message is authentic
