**The Lord is My Counsel** Marion E. Wade, Glenn D. Kittler, 1966      *The Servicemaster Story* Albert M.

Erisman, 2021-10-05 The ServiceMaster Story written by faith and business expert Albert M Erisman examines how the first five leaders of ServiceMaster a cleaning and restoration service company managed to develop and give deeper purpose to their employees while also growing into a financially successful organization From 1929 to 2001 ServiceMaster grew from a few people making their living in Chicago to a publicly traded company with revenues of 6 billion in forty countries with five different leaders Each leader built on the work of the previous leader focusing on helping workers to develop as people Their number one goal was to honor God in all we do ServiceMaster was considered by employees at all levels as a great place to work and was selected by Fortune magazine as the most admired service company in the world both in the 1980s and 1990s How did ServiceMaster manage to develop and give deeper purpose to employees doing menial jobs like cleaning floors and toilets and at the same time grow financially This book explores the way the five early leaders collaborated complemented each other and adapted to changing economic and cultural environments while creating value for workers shareholders and customers alike Key points and features An inspirational story that studies the balance between honoring God serving people and growing financially for those interested in the dynamics of work and faith in the workplace Includes photos and charts

God at Work David W. Miller, 2007 In the 1980s Miller shows a complex set of independent developments gave rise to what is known as the Faith At Work movement He analyses the history of the movement examines membership profiles and modes of expression and constructs and proposes a new framework for discussing the movement      **The ^ABlessings of Business** Darren E. Grem, 2016-05-02 While preachers activists and politicians have all helped spread the gospel Darren Grem argues that evangelicalism owes its strength to the blessings of business Grem offers a new history of American evangelicalism showing how its adherents strategically used corporate America its leaders businesses money ideas and values to advance their religious cultural and political aspirations      *Evangelical Christian Executives* Lewis D. Solomon, 2017-10-24 In *Evangelical Christian Executives* Dr Solomon has captured the essence of an effective and refreshingly different approach to business In telling the compelling stories of six Christian CEOs he shows us an alternative to an ethic of greed that has so tarnished corporate America John D Beckett CEO and Chairman of R W Beckett Corp Events of recent years have encouraged a high degree of skepticism and doubt about business institutions and markets In the face of widespread cynicism about corporate credibility business leaders are seeking to restore the trust and confidence not only of investors but of employees customers suppliers shareholders potential investors and the public at large In this volume Lewis D Solomon focuses on evangelical Christians who have founded or come to lead six firms He explores whether religion offers a constructive way to think about corporate governance and the tensions between profitability and social responsibility Solomon finds that many Christian executives have a private faith leading quietly by example Others want their faith to shine

forth Solomon focuses on this latter group dividing them into two categories The first group he identifies as preachers who weave visible demonstrations of their faith into the fabric of their businesses The second are those who take a more sophisticated approach based on two biblical principles stewardship and or servant leadership In addition to examining how these leaders of faith have successfully brought their religious values into their businesses he assesses the consequences of incorporating their faith and values into their business organizations considering profitability employee and customer satisfaction legal and environmental compliance and charitable giving Together with these leadership styles and results Solomon presents three business models constant transformational and evolving that enable readers to gain a further understanding of the six companies While Solomon shows that it is possible to integrate financial profitability and broader religious goals he finds that it is difficult though not impossible to maintain a biblically based leadership style after a firm goes public or expands With the growth of evangelical Christianity in many sectors of American public life this volume will be of broad interest to business executives sociologists students of religion and economists Lewis D Solomon is Theodore Rinehart Professor of Business Law at the George Washington University Law School where he has taught corporate and tax law for over twenty five years A prolific author on legal business public policy and religious topics he has written over fifty books and numerous articles He is an ordained rabbi and interfaith minister
