**The Book of Merlyn** T. H. White,2018-09-19 This magical account of King Arthur s last night on earth rediscovered in a collection of T H White s papers at the Harry Ransom Center at the University of Texas at Austin spent twenty six weeks on the New York Times bestseller list following its publication in 1977 While preparing for his final fatal battle with his bastard son Mordred Arthur returns to the Animal Council with Merlyn where the deliberations center on ways to abolish war More self revealing than any other of White s books Merlyn shows his mind at work as he agonized over whether to join the fight against Nazi Germany while penning the epic that would become *The Once and Future King* The Book of Merlyn has been cited as a major influence by such illustrious writers as Kazuo Ishiguro J K Rowling Helen Macdonald Neil Gaiman and Lev Grossman Arriving from beyond the curve of time and apparently from the grave The Book of Merlyn stirs its own pages saying wait you didn t get the whole story It gives us a final glimpse of those two immortal characters Wart and Merlyn up close slo mo with a considered and affectionate scrutiny The book is an elegiac posting from a master storyteller of the twentieth century Its reissue in our next century is just as welcome as when it first arrived forty years ago Certainly the moral questions about the military use of force perplex the world still The efficacy of treaties the trading of insults among the potentates of the day the testing of weapons the weaponizing of trade these strategies are still front and center Rather terrifyingly so We do well to revisit what that old schoolteacher of children Merlyn has been trying to point out to us about power and responsibility Gregory Maguire from the foreword

**Fables of the Law** Daniela Carpi, Marett Leiboff, 2016-10-24 The latest development concerning the metaphorical use of the fairy tale is the legal perspective The law had and has recourse to fairy tales in order to speak of the nomos and its subversion of the politically correct and of the various means that have been used to enforce the law Fairy tales are a fundamental tool to examine legal procedures and structures in their many failings and errors Therefore we have privileged the term fables of the law just to stress the ethical perspective they are moral parables that often speak of justice miscarried and justice sought Law and jurists are creators of fables on the view that law is born out of the facts *ex facto ius*
