Lord Byron Selected Letters And Journals:

Lord Byron, 1988 *Lord Byron* George Gordon Byron Baron Byron, 1982 Byron was a superb letter writer almost all his letters whatever the subject or whoever the recipient are enlivened by his wit his irony his honesty and the sharpness of his observation of people They provide a vivid self portrait of the man who of all his contemporaries seems to express attitudes and feelings most in tune with the twentieth century In addition they offer a mirror of his own time This first collected edition of all Byron's known letters supersedes Prothero's incomplete edition at the turn of the century It includes a considerable number of hitherto unpublished letters and the complete text of many that were bowdlerized by former editors for a variety of reasons Prothero's edition included 1 198 letters This edition will have more than 3 000 over 80 percent of them transcribed entirely from the original manuscripts Byron's epistolary saga continues with brio in this volume At the start of 1818 he sends off the last canto of *Childe Harold* and abandons himself to the debaucheries of the Carnival in Venice At the close of 1819 he resolves to return to England but instead follows Teresa Guiccioli to Ravenna In the meantime he writes three long poems and two cantos of *Don Juan* whose bowdlerization he violently protests he breaks off with Marianna Segati copes with his amorous tigress Margarita Cogni then falls passionately in love with the young Countess Guiccioli he thinks seriously of emigrating to South America he takes custody of his little daughter Allegra and becomes increasingly fond of the child The Shelleys visit him as does Thomas Moore to whom he entrusts his memoirs burned after his death The letters to friends are a marvelous outpouring of funny anecdotes practical talk discussions of his poems statements of his beliefs The love letters are in a class by themselves Lord Byron George Gordon Byron Baron Byron, Leslie Alexis Marchand, 1982
