Dare Me! How Dare Me? Ordelda Julmat, 2023-06-28. I am sure we can all relate to and are interested in reading about the struggles others have encountered throughout life which will help to encourage us and keep us motivated to keep the faith and not give up. This is the book to read. Once you start reading it will hardly leave your hand until completed unless you are taking a break to laugh, ponder and reminisce on your own experiences. It is mostly geared toward women but men will find it very interesting and may learn from some of the lessons included. It depicts happiness, hardships, realistic experiences and dreams that the author creatively captures in a humorous way. She starts out in childlike fantasy of exploring her world. Her family background is presented to show how much this has prepared for her a good foundation in relying on God to go through all the obstacles encountered and still encountering in her life. Therefore, in each area, one is pointed to biblical references as guidelines for living. Being brought up in the church throughout her life, she boldly talks about sexual desires in relation to herself and in general, which were unmentionable in church and is still a difficult area to deal with. Her writing provides a break from ordinary reading as she incorporates poetry and motivational verses for inspiration while touching on a wide range of areas including some of the controversies in today's world.

Never Change Tyrone Liketh Huffman, 2013-02-06. Give God your heart and always call on God for help and never be a shame to speak of his name.
