On a fateful wintery night, meeting a man full of stoicism and mystery brings back old memories of Nayantara so much that it refuels the poetess in her. While the former tries to discover the meaning of her life through her poems, the latter engulfs a new steadfast life by reading them. This give and take of knowledge and philosophy through poetry changes their lives bit by bit in a way that both find their imagined happy places and stay content through the medium of lyrical words till they finally accept their lives, its challenges, and also its joyfulness.
