Principles of Magnetising Your Divine Spouse Dr. D. K. Olukoya,2014-07-11 In recent times the issues of singles that are ready for marriage still remaining unattached is becoming very rampant This issue has caused frustration pain and heartburn to many as they cannot understand why their divine spouse seems to keep eluding them Some have entered into promising relationships only to get their finger burnt leaving them bitter and consequently have determined to forget about anything called marriage This book you are holding in your

hand has been designed to solve that problem It draws from scriptures showing the divine precept on how to choose the right partner It delineates the wrong approaches people have to marriage which is responsible for their wrong choices Read study and apply the uncommon principles to magnetize your God given partner Welcome to your marital fulfillment **The Lord's First Night** Alain Boureau,1998-09 From the late Middle Ages to THE MARRIAGE OF FIGARO to Mel Gibson's BRAVEHEART the ultimate symbol of feudal barbarism has been the right of a feudal lord to sleep with the bride of a vassal on her wedding night But here in a fascinating case study of the folklore of sexuality Alain Boureau elegantly demonstrates such tradition is a myth **Being Given** Jean-Luc Marion,2002-07-31 Along with Husserl's Ideas and Heidegger's Being and Time Being Given is one of the classic works of phenomenology in the twentieth century Through readings of Kant Husserl Heidegger Derrida and twentieth century French phenomenology e g Merleau Ponty Levinas and Henry it ventures a bold and decisive reappraisal of phenomenology and its possibilities Its author's most original work to date the book pushes phenomenology to its limits in an attempt to redefine and recover the phenomenological ideal which the author argues has never been realized in any of the historical phenomenologies Against Husserl's reduction to consciousness and Heidegger's reduction to Dasein the author proposes a third reduction to givenness wherein phenomena appear unconditionally and show themselves from themselves at their own initiative Being Given is the clearest most systematic response to questions that have occupied its author for the better part of two decades The book articulates a powerful set of concepts that should provoke new research in philosophy religion and art as well as at the intersection of these disciplines Some of the significant issues it treats include the phenomenological definition of the phenomenon the redefinition of the gift in terms not of economy but of givenness the nature of saturated phenomena and the question Who comes after the subject Throughout his consideration of these issues the author carefully notes their significance for the increasingly popular fields of religious studies and philosophy of religion Being Given is therefore indispensable reading for anyone interested in the question of the relation between the phenomenological and the theological in Marion and emergent French phenomenology **Reports from Committees** Great Britain.
