Lordship Salvation The Only Kind There Is:

Lordship Salvation Curtis I. Crenshaw, 1994-01-01 John H Gerstner wrote the Foreword to this pungent book on the Lordship salvation issue It covers the assumptions in the issue regeneration repentance faith justification sanctification assurance the place of the church and other matters The Appendixes add such matters as abiding in John antinomianism in dispensationalism multiple quotes of the New Testament on the issue and the early fathers Did Jesus Teach Salvation by Works? Alan P. Stanley, 2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven *Lordship Salvation* Charles C Bing, 2010-07 A powerfully biblical and thorough answer to the Lordship Salvation controversy There is no more important issue than how to become a Christian Lordship Salvation is a view that has confused many people about the nature of the gospel itself Based on a Ph D dissertation this is an academic and biblical response to the Lordship view The crucial issues of faith repentance lordship and discipleship Over 65 important passages explained A helpful Scripture index Can be used as a textbook Retains its original academic form and content You will find out how Lordship Salvation undermines the assurance of Christians as you gain a new confidence in the gospel of God s sure salvation Read it use it as a Bible study reference or teach from it it is a valuable resource in a critical and controversial issue Charles C Bing obtained his Ph D from Dallas Theological Seminary As founder and president of GraceLife Ministries he is active as an author conference speaker and adjunct professor

Biblical Counsel , 1993 **Enemies of Soul Winning** Jack Hyles, 2022-12-01 This book exposes adversaries disguised as friends The subtle enemies that affect the soul winning efforts of the local church have long gone unnoticed and unchallenged **The Gospel According to Jesus** John F. MacArthur, 2009-05-26 What is authentic faith The Gospel According to Jesus challenges Christians to re evaluate their commitment to Christ by examining their fruits MacArthur asks

What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone The Gospel According to Jesus is just as powerful today as it was more than two decades ago It is a Scripture based clarion call for a rejection of the watered down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book s timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ

The Gospel According to the Apostles John F. MacArthur, 2005-03-06 The apostles understood the Gospel as they learned from and personally lived alongside Jesus and these lessons became the heart of their message to an unsaved world But what does their perspective mean for modern Christians and how can we read the Bible through their unique lens today Following the release of his bestselling book The Gospel According to Jesus Dr MacArthur noticed that Christians were looking for practical advice spiritual counsel and accessible explanations of the Bible And most of all they wanted help understanding their experiences within Christianity Dr MacArthur realized that by examining scripture from the perspective of the apostles themselves even more Christians could come to know the Gospel as Jesus earliest followers did In his characteristic compelling style Dr MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church Dr MacArthur doesn t shy away from answering some of the difficult questions that he s been asked over the years including What is cheap grace Have some Christians adopted a no lordship theology What must a person do to be considered righteous by God How should we call people to faith Do our works have any effect on our salvation The Gospel According to the Apostles is a book for every Christian who wants to experience understand and fall in love with the same gospel that Jesus preached

The Gospel of the Christ Thomas Lewis Stegall, 2009-07
 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith

How to Accept A Church
 Roy Wade, Sr., 2004-03-24 The author s purpose for writing this book is to help young ministers who are seeking to pastor their first church There are many young ministers who don t know the procedures for accepting a church Therefore the author has penned those procedures from the Called into the Ministry to the First two years of the Pastorate There are many books for the young minister that address what to do once the church calls a pastor but there are very few books that give instructions on what to do in order to acquire a church This book not only focuses on the young ministers but also may be helpful for the veteran preachers who have been in the ministry for some period of time never pastoring a church The author covers eight chapters in this book I The Call To The Ministry 1 The pastoral ministry is a calling 2 What is meant by the called II Pray For Spiritual Guidance 1 The aspiration to pastor 2 Personality acceptance 3 The importance of mentoring III Submitting A Resume Philosophy Of Ministry Be Professional 1 The letter of intention 2 Things to submit to the pastoral search committee 3 Example of a complete pastor s resume 4 A concept of leadership 5 The visionary philosophy of ministry

Walker,2020-02-18 Most believers raised in churches that contend for the King James Bible as the infallible word of God are familiar with 2 Timothy 2 15 and the idea of dispensationalism In fact most Bible believers are so familiar with their Scofield Reference Bibles they can tell you which side of the page a certain passage is on from memory For many Bible believers dispensationalism as a theological system answers so called problem passages that clearly teach salvation by means other than by grace through faith in the finished work of Jesus Christ At the same time many King James Only believers remain unsettled or unsure about the differences in salvation under the various dispensations Their pastors may not emphasize or teach these distinctions or they may have fallen prey to King James Only preachers and authors who teach just the opposite Some of these authors have been teaching this faulty dispensational position for years while others have more recently modified this as their position In this booklet we will briefly trace the development of dispensationalism as it relates to salvation under the various dispensations We will show that the dispensationalism being taught by many King James Only preachers and authors is nothing more than a revised dispensational position rooted in Calvinism We will also dismantle the faulty premises of this revised position by addressing the major points and examining their books in light of the Book
