We Never Lost Hope Naomi Litvin,2010-07-07 Author Naomi Litvin recreates her parents incredible love story in the powerful memoir *We Never Lost Hope* Litvin the daughter of a Holocaust survivor and an American Jewish GI who landed at Normandy lets her family members reveal the stories of their lives before during and after the Holocaust Told in five indelible voices the book gives a you are there punch and a moving immediacy Lovely and haunting *We Never Lost Hope* is a reminder that genocide can happen anywhere and that we all must be vigilant against the forces of hatred Five relatives narrate their harrowing World War II experiences in this family chronicle It could be said that rather than writing this affecting and effective book Litvin sculpted it Her breezy but vital narrative provides the shape and overall historical context for her family s story but her relatives are the ones doing the real work Using the first person accounts of her parents an aunt an uncle and a friend of the family the author offers a nuanced and multifaceted look at the plight of Jews in mid 20th century Eastern Europe From a small Angora farm in Satu Mare Romania to the horrifying grounds of Auschwitz and finally to a new life in America the five distinct voices of Edith Hilda and Mendi Festinger Nate Litvin and Kurt Meyers provide a powerful and intimate journey through one of mankind s darkest hours Litvin does well not to mute her sources with an authoritative filter The book s undeniable authenticity comes from the life events retold by each narrator while most historical texts offer one individual s take *We Never Lost Hope* presents five survivors working through their memories Litvin augmented the book with photographs news articles and other ephemera telegrams maps etc that support the sense of intimacy and reality Since

some accounts can occasionally run long it may have been helpful for Litvin to provide more editorial insight and direction Still the book is a soaring testament to the strength and adaptability of five remarkable people A wonderfully executed powerful family chronicle Kirkus Discoveries 2 13 09

Suicide and the God of Grace Mark Koonz, 2025-08-19 Suicide is a painfully intrusive reality around the world touching many Christian families as well These theological reflections are designed to assist pastors facing one of the hardest funerals imaginable as well as inform other readers family and spiritual care givers who live in the aftermath of tragedy Biblical passages and the history of Christian thought are scanned with some surprising results There is a persistent openness to God's grace embracing death by suicide redeeming the last moment of life From Aquinas to Luther to Barth influential theologians refused to call suicide an unforgiveable sin though they always discouraged it There is a surprising congruence between ancient and modern Protestant and Roman Catholic in some of these approaches Without attempting to speak God's final word on any victim of suicide the editor finds a middle way between outright condemnation and universalism Contributors offer actual sermons used for suicide funerals This book invites all who wrestle with suicide's spiritual questions to engage with a tradition more compassionate and nuanced than many might expect
