My Way Back To Jesus: Volume One Melody Reed,2024-08-07 Volume One 8 7 24 This is my ongoing testimony and will be written in volumes in a diary memoir style This is a very personal story and it may get a little rambling or repetitive I may have typos bad grammar and other literary mistakes That s okay because I m not perfect and this is not meant to be a classical masterpiece I m not a preacher pastor or anything in between I m simply a woman who wants to find my way back to God Fair warning I am Catholic and my journey involves the Blessed Mother

The Soundtrack of My Life Susan Mary Paige,2022-11-18 I refer to my book as a memoir somewhat autobiographical but also a journal recounting my quest to discover more about those who came before me in my father s family Things grew complicated and I had no intention of writing about any of this until a colleague spoke the fateful words to me You need to write this down If I had not begun writing when I did much of this story would be lost to time and other life factors On the surface this is a mystery story about a cigar box of memorabilia I took possession of in 1977 after my dad died The cigar box was no more than a curiosity so I

would look at the contents and put it away Then came personal computers so I could search from the comfort of my home Like so many mysteries I thought the answers were rather straightforward The deeper I searched the more I was frustrated humbled and compelled to keep searching and writing for ten plus years As a Roman Catholic I soon saw this search had a deeper theological meaning for me as I pondered the relationship this journey had to the a communion of saints the b corporal works of mercy and ultimately c forgiveness of self and others I wrote this as a conversation with the reader asking them to ponder these same issues with me I also adopted the Catholic practice of picking a patron saint for this memoire and who is better than Saint Jerome I needed both a muse and a taskmaster and he fills both roles quite ably He is also the patron saint of archivers and that would certainly be me The music theme is a significant backdrop to my story Just like the movie background music or score kept subtle to set the tone and elicit emotion my lyrics and melody selections are used to express and convey the same As you will learn Emma herself was an accomplished musician In addition science suggests that this universe itself is believed to be finely tuned harmonic from galaxies to DNA As I write about implied realms beyond this one a music soundtrack seems appropriate
