**Lost in Jersey City** Paula Sharp,1993 From the author of *The Woman Who Was Not All There* comes an inventive novel about a woman who discovers she can triumph over bigger challenges than she ever thought possible After seven years in a stale marriage Ida Terhune leaves Baton Rouge for Jersey City where she undergoes an amazing transformation Jersey City 1940-1960 Kenneth French,1997-11-01 Photographer Dan McNulty was a Jersey City resident who spent most of his time working in his family's funeral home McNulty's photography was a mere sideline but this fact did not affect the high artistic quality of the images of the city that he produced during the 1940s and 50s During the two decades of McNulty's work Jersey City experienced many changes The powerful political machine of Mayor Frank Hague was brought down after thirty years in 1949 by the reform team of John V Kenny and this period also saw the end of the city's success in the railroad industry In the 1950s the first large housing projects were constructed in the city other sweeping developments in this sphere would follow in the 1960s McNulty documented these changes and others that resulted during this twenty year period through dramatic photographs of vacant railroad terminals dynamic commercial and residential districts successful factories and manufacturing plants and significant WPA projects such as the Jersey City Medical Center and Roosevelt Stadium
