*Readings in Perception* David Cromwell Beardslee, Michael Wertheimer, 1962      Persuade Scott Hogle, 2018-01-01  
Becoming successful in business requires that you win with others relationally before you can persuade them financially. It is not enough to sell your product; you must sell yourself. Customers must buy what you are saying before they buy what you are selling. *Persuade* is a success playbook filled with skills that will help you connect quicker, communicate confidently, and close more sales. But *Persuade* is not your typical business book. It is filled with stories of life and love, family and friends, and success strategies that will help you serve more, sell more, and succeed more. If your success is dependent on your ability to build relationships and increase revenue, you will find this book invaluable. *Persuade* will help you grow in your confidence to communicate, connect, and successfully persuade customers through the stages of the sale. Top salespeople become the best because they learn from the best. The author includes insightful intelligence from sellers and executives at Facebook, Google, iHeart Radio, Amazon, New York Life, Hawaiian Airlines, Dell, EMC, Microsoft, Xbox, Clear Channel, Airports, and Zillow, who share stories, case studies on how they deploy the powers of persuasion discovered in *Persuade*.      **Supreme Court**,
