Vancouver E. Pauline Johnson,1913 Inventing Stanley Park Sean Kheraj,2013-05-24 In the early hours of 15 December 2006 a windstorm of a ferocity not known for more than forty years ripped through Vancouver In the crisp light of dawn the city s residents awoke to discover that Stanley Park their city s most treasured park had been transformed into a tangle of splintered and uprooted trees In the weeks that followed people toured Stanley Park by car and by foot like a procession of mourners at a funeral Their anguish revealed more than just an attachment to the memory of a park it marked the end of a romanticized vision of timeless natural space In *Inventing Stanley Park* environmental historian Sean Kheraj examines how this tension between popular expectations of idealized wilderness and the volatility of complex ecosystems helped shape one of the world s most famous urban parks Drawing on a wealth of illustrations and the insights of environmental history Kheraj not only describes and depicts the natural and cultural forces that shaped the park s landscape he also reveals the roots of our complex relationship with nature Released to coincide with Stanley Park s 125th anniversary this book offers a revealing meditation on the interrelationship between nature culture parks policy and public memory **The Farmers' Advocate**
