Lost Souls and Fallen Spirits Carmelita C.,1999 A mysterious phone call from the yin world An exclusive interview on A Clean Ghost Story What is the significance of seven pieces of cakes Why would spirits and souls stay where they don t belong Why must one remember when in contact with the yin world Do not turn around How to reclaim the lost souls and spirits Before a problem is resolved other problems pour in Possessed by ghost Virgin spell Controlled by a fox spirit Spellbound Of reality illusion abstract truth void substance Angel Arch Witness the true meaning of Lost Souls and Fallen Spirits Experience the tragedy behind Dispersed Souls and Scattered Spirits Many mythological spiritual and divine tales had been told throughout time leaving us many unanswered questions to ponder upon Through The Story of Soul books these questions regarding our existence will finally be answered Let the truth and answers about living life and karma be your guide to finding the way back to the roots of your soul After a phone call from the world beyond Hua Lin starts her journey into karma confrontation A series of events will change the life she thought she knew as well as her views toward the unknown She must first reclaim the part of her soul that was deceptively and unknowingly stolen from her Entering the realm of the dead will be the first of many challenges that she will face in order to save her own physical and spiritual existence She will meet and seek the help of those around her seemingly coincidental but it ultimately proves to be merely a game of Karma in which we all play a part Through the interactions between Hua Lin and those around her we shall uncover the secrets of karma and travel with her through the journey of life and death Will she find the truth about herself Will she uncover the truth behind the mysteries of the unknown With her personality passion and career as a reporter Hua Lin will strive for the truth and the truth will astound her Let us now open our minds and enter the journey through The Story of Soul starting with the Lost Souls and Fallen Spirits

Winter round them not a winter in city streets lamplit and glowing or on a fair English countryside dotted with cottage roofs humble village homes sending up their incense of blue gray smoke to the hearth goddess not the winter of civilisation with all means and appliances at hand to loosen the grip of the frost fiend but winter in its bleakest aspect amid trackless forests where the trapper walks alone winter in a solitude so drear that the sound of a human voice seems more strange and awful than the prevailing silence winter in a pine forest in British North America westward of the Rocky Mountains It is December the bleakest dreariest month in the long winter for spring is still far off Three men sit crouching over the wood fire in a roughly built log hut in the middle of a forest which seems to stretch away indefinitely into infinite space The men have trodden that silent region for many a day and have found no outlet on either side only here and there a frozen lake to whose margin ere the waters were changed to ice the forest denizens came down to gorge themselves with the small fish that abound there They are travellers who have penetrated this dismal region for pleasure yet each moved by a different desire The first Lucius Davoren surgeon has been impelled by that deep rooted thirst of knowledge which in some minds is a passion He wants to know what this strange wild territory is like this unfamiliar land between Fort Garry and Victoria across the Rocky Mountains and if there lies not here a fair road for the English emigrant He has even cherished the hope of some day pushing his way to the northward up to the ice bound shores of the polar sea He looks upon this trapper expedition as a mere experimental business an education for grander things the explorer s preparatory school So much for Lucius Davoren surgeon without a practice Mark him as he sits in his dusky corner by the fire The hut boasts a couple of windows but they are only of elk skin through which the winter light steals dimly Mark the strongly defined profile the broad forehead the clear gray eyes The well cut mouth and resolute chin are hidden by that bushy untrimmed beard which stiffens with his frozen breath when he ventures outside the hut but the broad square forehead the Saxon type of brow and clear penetrating eyes are in themselves all sufficient indications of the man s character Here are firmness and patience or in one word the noblest attribute of the human mind constancy On the opposite side of that rude hearth sits Geoffrey Hossack three years ago an undergraduate at Balliol great at hammer throwing and the long jump doubtful as to divinity exam and with vague ideas trending towards travel and adventure in the Far West as the easiest solution of that difficulty Young handsome ardent fickle strong as a lion gentle as a sucking dove Geoffrey has been the delight and glory of the band in its sunnier days he is the one spot of sunlight in the picture now when the horizon has darkened to so deep a gloom

**Lilith: Angel of the Abyss** Khalil al-tahhan, This novel intertwines religions spirituality and philosophy Dear reader regardless of your belief religion culture or even if you are secular I promise you that you will be astonished by this novel and your life will change after reading it I promise that its details will remain etched in your memory for life I also promise that the name Lilith will be forever engraved in your mind Dear reader Welcome to the pages of this novel which represents a deep personal and intellectual journey for me It is among the latest and finest work I have ever written As you delve into the strange and mysterious realms of this

story I would like to share a secret that may seem unfamiliar but is profoundly meaningful to me This novel was the result of mysterious flows of inspiration it was not merely a product of my conscious mind but rather ideas flowed into my mind as if sent from a supernatural world from a hidden place whose source I do not know During the writing process I felt as though I was merely a conduit for visions and concepts that transcended the limits of my knowledge and understanding of the world This hidden inspiration led me to construct parallel worlds where lost souls meet and nightmares become tangible realities The worlds you will read about here may be more than mere fiction they are a reflection of a truth that might exist within the folds of the universe beyond the scope of our ordinary vision I invite you to open your heart and mind as you read to experience this spiritual and intellectual journey with me and to allow yourself to question the source of creativity and whether there are hidden forces guiding us toward discovering deeper truths about our existence Perhaps within these pages you too may find a glimmer of inspiration that transcends the boundaries of this world I wish you an enjoyable journey filled with reflection and inquiry With warm regards Poet and Novelist Khalil Altahhan
