Lost Innocents:

Lost Innocents Patricia MacDonald, 2008-11-15 When a fifteen year old babysitter and the toddler entrusted to her care vanish from their sleepy suburban town Maddy Blake like the rest of Taylorsville is horrified When the teenager turns up dead and the baby is nowhere to be found Maddy's once tranquil life is shattered Her husband becomes the prime suspect for this heinous crime having only recently been acquitted of sexual misconduct charges brought by one of his teenage students Plagued by doubts of her husband's innocence tortured by a growing attraction to her priest and disconcerted by the grim strangers to whom she has opened her home Maddy realizes too late that she is in mortal danger **Innocence Lost**

Sherilyn Decter, 2019-02-03 In a city of bootleggers and crime one woman must rely on a long dead lawman to hunt down justice Philadelphia 1924 Maggie Barnes doesn't have much left After the death of her husband she finds herself all alone to care for her young son and look after their rundown house As if that weren't bad enough Prohibition has turned her neighborhood into a bootlegger's playground To keep the shoddy roof over their heads she has no choice but to take on boarders with criminal ties When her son's friend disappears Maggie suspects the worst And local politicians and police don't seem to have any interest in an investigation With a child's life on the line Maggie takes the case and risks angering the enemy living right under her nose Maggie's one advantage may be her oldest tenant the ghost of a Victorian era cop With his help can she find justice in a lawless city *Innocence Lost* is the first novel in the *Bootleggers Chronicles* a series of historical fiction tales If you like headstrong heroines Prohibition era criminal underworlds and a touch of the paranormal then you'll love Sherilyn Decter's gripping tale Buy *Innocence Lost* to dive into corruption and mystery today **A World of Lost Innocence**

Nicola Darwood, 2012-04-25 Elizabeth Bowen was a prolific writer her publishing career spanned five decades and during this time she wrote ten novels over one hundred short stories and countless reviews and journal articles While earlier novels are now acknowledged as Modernist texts her later novels can be read through the lens of postmodernism they can be considered variously as romantic fiction marriage novels war time spy thrillers and psychological drama but throughout her novels she consistently questioned notions of identity sexuality and the loss of innocence *A World of Lost Innocence* The Fiction of Elizabeth Bowen offers a reading of Elizabeth Bowen's fiction which focuses specifically on this loss foregrounding the psychological conflicts experienced by her protagonists It examines the subject not only across the range of her fiction but also in relation to her unfolding narrative structures through a chronologically based discussion of her novels and selected short stories interwoven with biographical information and drawing on unpublished letters This book investigates the dominant kinds of innocence that Bowen represents throughout her fiction the innocence attributed to childhood sexual innocence and sexual morality and political innocence and argues that the transition from innocence to experience plays an important role in the epistemological journey faced both by Bowen's characters and her readers *Lost Innocents and the Loss of Innocence* Crispin Bates, 1998 *Innocence Lost* David Powlison, 2012-02-26 Every victim has a

voice with which to cry out against God or cry out to him In *Innocence Lost: Rebuilding After Victimization* biblical counseling expert David Powlison encourages all who have been victimized to find their voice in Scripture guiding them through Psalm 10's process of crying out expressing pain and confessing faith The *Finding Lost Childhoods* Suellen Murray, 2017-08-01 This book explores care leavers' access to their personal records People who grew up in care in previous decades may know little about their family nor understand why they were placed in care nor how decisions were made about their lives Personal records can be a source of this information Murray posits that it is crucial that those releasing these records understand their significance Taking a person-centred approach the book is based on the moving life history accounts of people who have sought their records *Finding Lost Childhoods* highlights the importance of records to their identity formation recounts what they discovered about themselves and their family and discusses the consequences of finding this information With a focus on policy and practice implications the book will be of particular interest to those engaged in the work of releasing records as well as care leavers themselves professional bodies and students and scholars with an interest in social work policy studies welfare studies and youth work **Research Handbook on Transitional Justice** Cheryl Lawther, Luke Moffett, 2023-08-14 Providing a refreshing take on transitional justice this second edition *Research Handbook* brings together an expanse of scholarly expertise to reconsider how societies deal with gross human rights violations structural injustices and mass violence Contextualised by historical developments it covers a diverse range of concepts actors and mechanisms of transitional justice while shedding light on new and emerging areas in the field *Goodna Girls* Adele Chynoweth, 2020-09-02 *Goodna Girls* tells the story of children incarcerated in Wolston Park Hospital an adult psychiatric facility in Queensland Australia It contains the personal testimonies of women who relate in their own no holds barred style and often with irreverent humour how they as children ended up in Wolston Park and how this affected their adult lives The accounts of hospital staff who witnessed the effects of this heinous policy and spoke out are also included The book examines the consequences of the Queensland Government's manipulation of a medical model to respond to juvenile delinquents many of whom were simply vulnerable children absconding from abusive conditions As Australia faces the repercussions of the institutionalisation of its children in the twentieth century brought about through a series of government inquiries *Goodna Girls* makes a vital contribution to the public history of the Stolen Generations Former Child Migrants and Forgotten Australians *Goodna Girls* presents the research that informed a successful collective campaign to lobby the Queensland Government to make long overdue and much needed reparations to a group of courageous survivors It holds contemporary resonance for scholars policymakers and practitioners in the fields of public history welfare child protection education nursing sociology medicine and criminology *Archives, Recordkeeping and Social Justice* David A. Wallace, Wendy M. Duff, Renée Saucier, Andrew Flinn, 2020-05-10 *Archives Recordkeeping and Social Justice* expands the burgeoning literature on archival social justice and impact Illuminating how diverse factors shape the relationship between archives recordkeeping

systems and recordkeepers this book depicts struggles for different social justice objectives Discussions and debates about social justice are playing out across many disciplines fields of practice societal sectors and governments and yet one dimension cross cutting these actors and engagement spaces has remained unexplored the role of recordkeeping and archiving To clarify and elaborate this connection this volume provides a rigorous account of the engagement of archives and records and their keepers in struggles for social justice Drawing upon multidisciplinary praxis and scholarship contributors to the volume examine social justice from historical and contemporary perspectives and promote impact methodologies that align with culturally responsive democratic Indigenous and transformative assessment Underscoring the multiplicity of transformative social justice impacts influenced by recordmaking recordkeeping and archiving the book presents nine case studies from around the world that link the past to the present and offer pathways towards a more just future Archives Recordkeeping and Social Justice will be an essential reading for researchers and students engaged in the study of archives truth and reconciliation processes social justice and human rights It should also be of great interest to archivists records managers and information professionals

Monetary Redress for Abuse in State Care Stephen Winter, 2022-12-01 Investigating a fast developing field of public policy Stephen Winter examines how states redress injuries suffered by young people in state care Considering ten illustrative exemplar programmes from Australia Canada Ireland and Aotearoa New Zealand Winter explores how redress programmes attempt to resolve the anguish injustice and legacies of trauma that survivors experience Drawing from interviews with key stakeholders and a rich trove of documentary research this book analyses how policymakers should navigate the trade offs that survivors face between having their injuries acknowledged and the difficult often retraumatising experience of attaining redress A timely critical engagement with this contentious policy domain Winter presents empirically driven recommendations and a compelling argument for participatory flexible and survivor focussed programmes This title is also available as Open Access on Cambridge Core

Witnessing Australian Stories Kelly Jean Butler, 2017-07-28 This book is about how Australians have responded to stories about suffering and injustice in Australia presented in a range of public media including literature history films and television Those who have responded are both ordinary and prominent Australians politicians writers and scholars All have sought to come to terms with Australia's history by responding empathetically to stories of its marginalized citizens Drawing upon international scholarship on collective memory public history testimony and witnessing this book represents a cultural history of contemporary Australia It examines the forms of witnessing that dominated Australian public culture at the turn of the millennium Since the late 1980s witnessing has developed in Australia in response to the increasingly audible voices of indigenous peoples migrants and more recently asylum seekers As these voices became public they posed a challenge not only to scholars and politicians but also most importantly to ordinary citizens When former Prime Minister Kevin Rudd delivered his historic apology to Australia's indigenous peoples in February 2008 he performed an act of collective witnessing

that affirmed the testimony and experiences of Aboriginal Australians The phenomenon of witnessing became crucial not only to the recognition and reparation of past injustices but to efforts to create a more cosmopolitan Australia in the present This is a vital addition to Transaction s critically acclaimed Memory and Narrative series **Governing Child Abuse Voices and Victimisation** Jodi Death,2017-10-25 Child sexual abuse by clergy within the Roman Catholic Church has emerged as a social and political discourse over the last three decades The analysis here specifically focuses on the establishment conduct and outcomes of the extensive public inquiries of Australia although inquiries in other jurisdictions are also discussed Unlike criminal or civil processes although they may be inquisitory in nature public inquiries emerge from a specifically political context and are a tool of governance embedded in a larger context of governmentality Understanding the broader political and cultural contexts of public inquiries is important then in understanding their value and effectiveness as justice processes especially for victims of CSA by clergy What is interesting about public inquiry is that it situates victims of CSA by clergy outside of criminal and civil justice processes and recognises a different politicised relationship between victims as citizens the state and Catholic institutions where abuse has occurred At the cutting edge of disciplinary and methodological understandings of the interconnections between the church state and families his book explores the dynamics of the emergence and politicisation of victims of CSA by clergy their expressions of resistance and the legitimisation of their voice in public and political spheres **Transitional Justice and the Historical Abuses of Church and State** James Gallen,2023-03-30 In this book James Gallen provides an in depth evaluation of the responses of Western States and churches to their historical abuses from a transitional justice perspective Using a comparative lens this book examines the application of transitional justice to address and redress the past in Ireland Australia Canada the United States and United Kingdom It evaluates the use of public inquiries and truth commissions litigation reparations apologies and reconciliation in each context to address these abuses Significantly this novel analysis considers how power and public emotions influence and often impede transitional justice s ability to address historical structural injustices In addressing historical abuses power fails to be redistributed and national and religious myths are not reconsidered leading Gallen to conclude that the existing transitional justice efforts of states and churches remain an unrepentant form of justice This title is also available as Open Access on Cambridge Core **Supporting Adult Care-Leavers** Suellen Murray,2015-12-16 Growing up in care is not just a part of childhood but can have ongoing impacts across a person s life Various inquiries have revealed accounts of abuse and neglect and a fracturing of family relationships Organised thematically to allow comparison of different initiatives this book considers the range of responses to adult care leavers in Australia Canada Ireland New Zealand and the UK Initiatives examined include public inquiries symbolic acknowledgements redress schemes specialist support services access to personal records and family reunification programs Featuring detailed case studies and examples of good practice this is an excellent international source book for practitioners and policy makers in social work and social care **Transitional Justice in**

Established Democracies S. Winter, 2014-03-21 Truth commissions apologies and reparations are just some of the transitional justice mechanisms embraced by established democracies This groundbreaking exploration of political theory explains how these forms of state redress repair the damage state wrongdoing inflicts upon political legitimacy *Archives in a Changing Climate - Part I & Part II* Viviane Frings-Hessami, Fiorella Foscarini, 2022-10-12 This book contains the first and second volume papers from the 8th International Conference on the History of Records and Archives I CHORA 8 Contributors present articles that propose new solutions and aspirations for a new era in the technology of archives and recordkeeping Topics cover rethinking the role played by archivists and reframing recordkeeping practices that focus on the rights of the subjects of the records This text appeals to students researchers and professionals in the field Previously published in Archival Science Special Issue Archives in a Changing Climate Part I and Archives in a Changing Climate Part II Chapter Displaced archives proposing a research agenda is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)

Allegiance and Identity in a Globalised World Fiona Jenkins, Mark Nolan, Kim Rubenstein, 2014-11-06 Interrogating the concepts of allegiance and identity in a globalised world involves renewing our understanding of membership and participation within and beyond the nation state Allegiance can be used to define a singular national identity and common connection to a nation state In a global context however we need more dynamic conceptions to understand the importance of maintaining diversity and building allegiance with others outside borders Understanding how allegiance and identity are being reconfigured today provides valuable insights into important contemporary debates around citizenship This book reveals how public and international law understand allegiance and identity Each involves viewing the nation state as fundamental to concepts of allegiance and identity but they also see the world slightly differently With contributions from philosophers political scientists and social psychologists the result is a thorough appraisal of allegiance and identity in a range of socio legal contexts [Self, Others and the State](#) Arlie Loughnan, 2019-12-12 Criminal responsibility is now central to criminal law but it is in need of re examination In the context of Australian criminal laws Self Others and the State reassesses the general assumptions made about the rise to prominence of criminal responsibility in the period since around the turn of the twentieth century It reconsiders the role of criminal responsibility in criminal law arguing that criminal responsibility is significant because it organises key sets of relations between self others and the state as relations of responsibility Detailed studies of decisive moments and developments since the turn of the twentieth century and original explorations of relations of responsibility expose the complexity and dynamism of criminal responsibility and reveal that it is the means by which matters of subjectivity relationality and power make themselves felt in the criminal law

The Rise of the Therapeutic Society Katie Wright, 2011 Taking Australia as the focal point Wright traces the ascendancy of therapeutic culture from 19th century concerns about nervousness to the growth of psychology the diffusion of an analytic attitude and the spread of therapy and counseling She argues convincingly for a

reappraisal of therapeutic culture
