The New Financial Capitalists George P. Baker, George David Smith, 1998-10-13 Kohlberg Kravis Roberts's approach to leveraged buyouts was an important aspect of the corporate restructuring and governance reforms in the American economy from the mid 1970s through 1990 During that period KKR crafted a series of progressively more elaborate deals tailored to specific companies and market conditions Through its creative debt financing and its relationships with an evolving cast of investors companies and managers KKR drove the scale and scope of the buyout phenomenon to unprecedented highs This book first published in 1999 examines KKR's record in detail Based upon interviews with partners of the firm and on unprecedented access to KKR's records George Baker and George Smith have written a balanced and enlightening account of how KKR has approached LBOs The book focuses on KKR's founding evolution and innovations as ways to understand issues in modern American business In examining KKR as a unique form of enterprise the book bridges the gap between public perception and academic knowledge of the leveraged buyout

Capitalism and Commerce in Imaginative Literature Edward W. Younkins, 2016-03-07 Fiction can be a powerful force to educate students and employees in ways that lectures textbooks articles case studies and other traditional teaching approaches cannot This anthology includes articles from a number of individuals from a range of different disciplines and perspectives All of the contributors to Capitalism and Commerce in Imaginative Literature are committed to

treating literary texts with integrity and believe that business should have a larger claim upon people's literary consciousness. In addition, they all value the important role of literature in dealing with the complexities of a capitalist culture. This collection of essays provides a means to appreciate the richness and variety of fictional portrayals of businesses and businesspersons. The works selected for examination reflect the variety of philosophical, political, economic, cultural, social, and ethical perspectives that have been found over time in American society. The novels and plays analyzed include high literature, mid-range literature, popular literature, ancient epics, grand narratives, hero tales, masterpieces, ideological texts, science fiction, and more. There are a great many works of literature waiting to be read and studied by business and economically minded individuals from many different viewpoints and fields of study. This volume provides a space to explore a wide range of fictional works and opinions about them.

Cybernetics and Systems Sergio Barile, Raul Espejo, Igor Perko, Marialuisa Saviano, 2018-12-07. Society is now facing challenges for which the traditional management toolbox is increasingly inadequate. Well-grounded theoretical frameworks such as systems thinking and cybernetics offer general level interpretation schemes and models that are capable of supporting understanding of complex phenomena and are not impacted by the passage of time. This book serves the knowledge society to address the complexity of decision making and problem solving in the 21st century with contributions from systems and cybernetics. A multi-disciplinary approach has been adopted to support diversity and to develop inter and trans-disciplinary knowledge within the shared thematic of problem solving and decision making in the 21st century. Its conceptual thread is cyber-systemic thinking and its realisation is supported by a wide network of scientists on the basis of a highly participative agenda. The book provides a platform of knowledge sharing and conceptual frameworks developed with multi-disciplinary perspectives which are useful to better understand the fast-changing scenario and the complexity of problem solving in the present time.

A Little Seduction Penny Jordan, 2013-02-01. A little seduction can go a long way toward mending a broken heart. A Treacherous Seduction: Beth is determined not to fall for Alex Andrews. Still recovering from a heartbreaking experience with one rogue male, she has no intention of getting involved with another. But Alex seems set on seduction. Should Beth trust his words of passion, or does Alex have a hidden, even treacherous agenda? The Marriage Resolution: Dee had thought a career was enough to keep her happy. But now she regrets giving up her chance at marriage and family life, especially when Hugo Montpelier, her one true love, returns. Though their passion is as strong as ever, Dee knows she'll have to reveal a secret she's kept far too long if she wants her happily ever after.
