This book is about listening to pets and talking to pets about how to help pets heal and about how they help us to heal It s about my Life Assignment and possibly about yours It s about the Universal Truths of Spirit Life and Love Whether a person believes in God a Supreme Being or the Big Bang there is always a philosophical expression we live by Regardless of your philosophy religious faith or creed each of you should bring to this book your own favorite words to express these Universal Truths that help convey your idea of God As I wrote these chapters I used expressions for God Spirit Life and Love with which I m most familiar those that touch my heart My hope is that the expressions I ve used will touch your heart also or that you ll be able to freely adjust them in your own mind to those that are your chosen favorites Regardless of the specific terms I may have used in order to keep the presentation simple my desire is that each of you will find your own sense of spirituality

in this book It matters little to our animal friends what our religious or philosophical preferences are Their only purpose in life is to give us Unconditional Love and teach us how to Love Unconditionally Love is their religion their philosophy And through the deep Love you and your pet share I know you ll be able to joyfully speak to each other s hearts On a very practical note for ease of expression there are a few places in this book where I may have opted not to follow one of the regular rules of grammar I may have mixed a singular noun with plural pronouns or vice versa knowing full well that I m taking the liberty of not matching singular with singular or plural with plural I do so with apologies to editors teachers and anyone who loves exactness of expression Also for ease of both writing and reading in a number of examples I ve occasionally referred to a pet only as he or only as she However in your own mind as you read please feel free to use the pronoun that best represents your own beloved pet Dr Monica Anaheim CA **Show Me All Your Scars** Lee Gutkind,2016-07-17 Every year one in four American adults suffers from a diagnosable mental health disorder In these true stories writers and their loved ones struggle as their worlds are upended What do you do when your father kills himself or your mother is committed to a psych ward or your daughter starts hearing voices telling her to harm herself or when you yourself hear such voices Addressing bipolar disorder OCD trichillomania self harm PTSD and other diagnoses these stories vividly depict the difficulties and sorrows and sometimes too the unexpected and surprising rewards of living with mental illness **Stress Out** Sumner M.
