Our Guys The Glen Ridge Rape And The Secret Life Of The Perfect Suburb

Bernard Lefkowitz

Our Guys The Glen Ridge Rape And The Secret Life Of The Perfect Suburb:

Our Guys Bernard Lefkowitz, 2023-12-22 It was a crime that captured national attention In the idyllic suburb of Glen Ridge New Jersey four of the town's most popular high school athletes were accused of raping a retarded young woman while nine of their teammates watched Everyone was riveted by the question What went wrong in this seemingly flawless American town In search of the answer Bernard Lefkowitz takes the reader behind Glen Ridge's manicured facade into the shadowy basement that was the scene of the rape into the mansions on Millionaire's Row into the All American high school and finally into the courtroom where justice itself was on trial Lefkowitz's sweeping narrative informed by more than 200 interviews and six years of research recreates a murky adolescent world that parents didn't or wouldn't see a high school dominated by a band of predatory athletes a teenage culture where girls were frequently abused and humiliated at sybaritic and destructive parties and a town that continued to embrace its celebrity athletes despite the havoc they created as our guys But that was not only true of Glen Ridge Lefkowitz found that the unqualified adulation the athletes received in their town was echoed in communities throughout the nation Glen Ridge was not an aberration The clash of cultures and values that divided Glen Ridge Lefkowitz writes still divides the country Parents teachers and anyone concerned with how children are raised how their characters are formed how boys and girls learn to treat each other will want to read this important book It was a crime that captured national attention In the idyllic suburb of Glen Ridge New Jersey four of the town's most popular high school athletes were accused of raping a retarded young woman while nine of their teammates watched Everyone was riveted

Our Guys Bernard Lefkowitz, 1998-01 Details the investigation and trial of a group of popular high school boys from the affluent suburb of Glen Ridge New Jersey accused of gang raping a retarded teenaged girl *Our Guys* Bernard Lefkowitz, 1998-04-28 A shocking true crime story of America's jock culture and the hidden world of unrestrained adolescent sexuality in one seemingly idyllic suburban town In March 1989 a group of teenage boys lured a retarded girl into a basement in Glen Ridge New Jersey and gang raped her Glen Ridge was the kind of peaceful affluent suburb many Americans dream about The rapists were its most popular high school athletes And although rumors of the crime quickly spread through the town weeks passed before anyone saw fit to report it to the police What made these boys capable of brutalizing a girl that some of them had known since childhood Why did so many of their elders deny the rape and rally around its perpetrators To solve this riddle the Edgar award winning author Bernard Lefkowitz conducted years of research and more than two hundred interviews A New York Times Notable Book of the Year A Los Angeles Times Prize Finalist An Edgar Award Finalist

Narrative Analysis Colette Daiute, Cynthia Lightfoot, 2004 Narrative Analysis Studying the Development of Individuals in Society aims to help researchers and students identify and evaluate the wealth of rationales practices caveats and values of narrative inquiry for understanding human development A rich collection of chapters articulates diverse interdisciplinary perspectives within the integrative theme that identity and knowledge development occur in dynamic social environments

Editors Colette Daiute and Cynthia Lightfoot have brought together an internationally renowned team of experts in narrative analysis to create a volume perfect for qualitative researchers in sociology psychology social work education and anthropology Students professors and experienced researchers will find the pedagogical elements and case studies perfect for course use and professional reference

[American Masculinities: A Historical Encyclopedia](#) Bret Carroll, 2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men's studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll's compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men's studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo's American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America's democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the assumption that men's lives have been grounded fundamentally in gender that is in their awareness of themselves as males Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history society and culture Encapsulating the current state of scholarly interpretation within the field of Men's Studies American Masculinities A Historical Encyclopedia is designed to help students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life

Key Features Reader's Guide facilitates browsing by topic and easy access to information Extensive name place and concept index gives users an additional means of locating topics of interest More than 250 entries each with suggestions for further reading Cross references direct users to related information Comprehensive bibliography includes a list of sources organized by categories in the field Topics Covered Arts Literature and Popular Culture Body Health and Sexuality Class Ethnic Racial and Religious Identities Concepts and Theories Family and Fatherhood General History Icons and Symbols Leisure and Work Movements and Organizations People Political and Social Issues About the Editor Bret E Carroll is Associate Professor of

History at California State University Stanislaus He received his Ph D from Cornell University in 1991 He is author of The Routledge Historical Atlas of Religion in America 1997 Spiritualism in Antebellum America 1997 and several articles on nineteenth century masculinity Masculinities, Gender Relations, and Sport Jim McKay, Michael A. Messner, Donald Sabo, 2000-05-26 The papers in this collection consider how the study of masculinities in sport can be integrated with critical feminist studies how to deal with the tendency to over emphasize negative outcomes and the increasing trend to violence in sport

Consent Pamela Susan Haag, 2018-09-05 Whom over the past two centuries has society construed as sexual victims Where and when did the notion of consent so crucial for law and politics today emerge In this brilliantly insightful work Pamela Susan Haag traces the evolution of public wisdom on some of society's most private and controversial matters At once an investigation of social history popular culture legal doctrine and political theory her book shows how in contemporary America the history of sexual rights is inextricably intertwined with that of liberalism Haag examines the nineteenth century obsession with the perils of seduction and twentieth century disputes over white slavery arranged marriages interracial relationships and rape The history of heterosexual modernity and identity must she argues be viewed as a crucial component of a much larger historical narrative that of the ways in which individual freedom and citizenship have been continually redefined in American liberal culture She illuminates the development of liberalism from its classic stage that ended after the post Reconstruction era to a modern version that came to fruition with the judicial acceptance of the right to privacy Finally she shows how debates over the meaning of heterosexual consent and violence contributed to this transformation

Hunting Season Mirta Ojito, 2013-10-15 Ojito has done truth an invaluable service Extraordinary Junot Diaz author of The Brief Wondrous Life of Oscar Wao 2014 International Latino Awards Finalist A Pulitzer Prize winning journalist uncovers the true story of an immigrant's murder that turned a quaint village on the Long Island shore into ground zero in the war on immigration In November 2008 37 year old Marcelo Lucero an unassuming worker at a dry cleaner's and an undocumented Ecuadorean immigrant was attacked and murdered by a group of teenagers as he walked the streets of the Long Island village of Patchogue accompanied by a childhood friend The attackers were out hunting for beaners Some of the kids later confessed that chasing harassing and assaulting defenseless beaners their slur for Latinos was part of their weekly entertainment In recent years Latinos have become the target of hate crimes as the nation wrestles with swelling numbers of undocumented immigrants Public figures fan the flames and advance their careers by spewing anti immigration rhetoric In death Lucero became a symbol of everything that was wrong with our broken immigration system fewer opportunities to obtain travel visas to the United States porous borders a growing dependency on cheap labor and the rise of bigotry Drawing on firsthand interviews and on the ground reporting journalist Mirta Ojito has crafted an unflinching portrait of one community struggling to reconcile the hate and fear underlying the idyllic veneer of their all American town With a strong commitment to telling all sides of the story Ojito unravels the engrossing narrative with objectivity and insight providing an

invaluable look at one of America's most pressing issues Reminds us how we might think of each other and how we treat all of our neighbors whether or not they look like us This is our human story Wes Moore author of *The Other Wes Moore*

Deviance and Social Control: A Sociological Perspective Michelle Inderbitzin, Kristin A. Bates, Randy R. Gainey, 2013
A target blank href http://www.sagepub.com/inderbitzin_img_border_0.src/IMAGES/companionwebsite.jpg alt A companion website is available for this text width 75 height 20 a Deviance and Social Control A Sociological Perspective serves as a guide to students delving into the fascinating world of deviance for the first time offering clear overviews of issues and perspectives in the field as well as introductions to classic and current academic literature The unique text reader format provides the best *The Red Stain of Cain* Chris Steed, 2021-07-31 When Cain left the red stain on the appalled earth there was only him the restless wanderer of the world The Red Stain of Cain lies in the anguished questions of God where is your brother What have you done We have failed one of the first and most basic demands of scripture to be our brother's and sister's keeper Understanding the separateness requires us to grasp how we come to see another as other someone with whom they have severed mutuality and responsibility For centuries people have depersonalised or depreciated the Other because of race class gender disability sexuality and age These set up a power imbalance that leads to pernicious domination How on earth has all the violence and power imbalance happened amongst the very people who especially espouse a high view of the cross Does Christianity have anything to say to the violence of our times Would it have worked if Jesus had merely sipped poison and perished Did it have to be so brutal This book is not a historical study so much as calling for theological antibodies The cross does not legitimate violence Quite the opposite How could it when the cross was an act of the most violent State savagery and Jesus was a victim If those who cheer on or wave away mob rule lynch parties or tribal bloodbaths excuse violence against women and girls or give succour to child abusers hold to a high view of communion and the atonement they do so in violent contradiction with what they believe about the cross of Christ Based on the idea of valuable personhood when something happens that demands recompense redress or payment of some form violence sets up a sort of transaction a symbolic exchange in which value is the currency as in the exchanges of everyday life Can this throw light on Jesus paying the price for our sins and expose social sins that condone violence and actually encourage it Can we find some theological antibodies Dr Chris Steed is a writer Church minister and academic with a varied career in church and charity leadership Currently Chris leads in the Counselling and Theology programme at London School of Theology His doctorate in Social Sciences through Exeter University proposed a new theory of violence Chris is a member of the British Sociological Association a Fellow of the Royal Society of Arts and is the author of a dozen books and numerous articles see www.christophersteed.co.uk **The Bully Society** Jessie Klein, 2013-08 Choice's Outstanding Academic Title list for 2013 Through interviews and case studies Klein develops an explanation for bully behavior in America's schools In today's schools kids bullying kids is not an occasional occurrence but rather an everyday reality where children learn early that being

sensitive respectful and kind earns them no respect Jessie Klein makes the provocative argument that the rise of school shootings across America and childhood aggression more broadly are the consequences of a society that actually promotes aggressive and competitive behavior The Bully Society is a call to reclaim America's schools from the vicious cycle of aggression that threatens our children and our society at large Heartbreaking interviews illuminate how both boys and girls obtain status by acting masculine displaying aggression at one another's expense as both students and adults police one another to uphold gender stereotypes Klein shows that the aggressive ritual of gender policing in American culture creates emotional damage that perpetuates violence through revenge and that this cycle is the main cause of not only the many school shootings that have shocked America but also related problems in schools manifesting in high rates of suicide depression anxiety eating disorders self cutting truancy and substance abuse After two decades working in schools as a school social worker and professor Klein proposes ways to transcend these destructive trends transforming school bully societies into compassionate communities

For Women Only! Gary Null, Barbara Seaman, 2001 Both a reference work and a health guide For Women Only joins together hands on advice from the country's leading alternative health practitioners with essays interviews and commentary by leading thinkers activists writers doctors and sociologists Contributors include the Boston Women's Health Book Collective Phyllis Chesler Angela Davis Charlotte Perkins Gilman the National Black Women's Health Project Gloria Steinem Sojourner Truth and Naomi Wolf among many others New Jersey

Dreaming Sherry B. Ortner, 2003-05-26 Famed anthropologist Ortner tracks down representative classmates from her mostly Jewish Newark NJ high school class of 58 in order to examine class culture and ethnicity in America today

Challenging Casanova Andrew P. Smiler, PhD, 2012-10-10 Changing perceptions about male sexuality In his groundbreaking new book noted expert on teenage and adult masculine behavior Andrew Smiler debunks the myth that teenage boys and young men are barely able to control their sex drives which may lead to destructive hyper sexuality unwanted pregnancy and sexually transmitted diseases Dr Smiler helps us recognize that the majority of boys and men do not fit this stereotype and that boys sexual development is multi faceted He also shows how this shift in attitude could help create young men who are more mature and have better relationships with partners and friends Explains how the Casanova Complex has developed over time and how it can hurt young males Provides the latest research on male sexuality including information from the author's own studies Offers guidance for parents and counselors of boys who want to help them develop lasting and meaningful relationships as well as for the parents of girls who are dating This book dismantles the stereotype of boys as driven only by an obsession with having intercourse with multiple partners and calls for deeper growth and understanding of modern masculinity

Gendered Politics in the Modern South Keira V. Williams, 2012-11-05 In the fall of 1994 Susan Smith a young mother from Union South Carolina reported that an African American male carjacker had kidnapped her two children The news sparked a multi state investigation and evoked nationwide sympathy Nine days later she confessed to drowning the

boys in a nearby lake and that sympathy quickly turned to outrage Smith became the topic of thousands of articles news segments and media broadcasts overshadowing the coverage of midterm elections and the O J Simpson trial The notoriety of her case was more than tabloid fare however her story tapped into a cultural debate about gender and politics at a crucial moment in American history In *Gendered Politics in the Modern South* Keira V Williams uses the Susan Smith case to analyze the new sexism found in the agenda of the budding neoconservatism movement of the 1990s She notes that in the weeks after Smith's confession soon to be Speaker of the House Newt Gingrich made statements linking Smith's behavior to the 1960s counterculture movement and to Lyndon Johnson's Great Society social welfare programs At the same time various magazines declared the death of feminism and a crisis in masculinity as the assault on liberal social causes gained momentum In response to this perceived crisis Williams argues a distinct code of gender discrimination developed that sought to reassert a traditional form of white male power In addition to consulting a wide variety of sources including letters from Smith written since her incarceration Williams contextualizes the infamous case within the history of gender politics over the last quarter of the twentieth century She reveals how the rhetoric imagery and legal treatment of infanticidal mothers changed and asserts that the latest shift reflects the evolution of a neoconservative politics

Fast Girls Emily White, 2002 Has she done the things of which she is accused How is her reputation created in the first place She is the high school slut and *Fast Girls* explores her experience and her legacy In this fusion of reportage criticism and memoir Emily White provides an in depth look at the girls who were labeled high school sluts and the culture that perpetuates the myth

BOOK JACKET Globalizing Cultural Studies Cameron McCarthy, 2007 The contributors to *Globalizing Cultural Studies* Ethnographic Interventions in Theory Method and Policy take as their central topic the problematic status of the global within cultural studies in the areas of theory method and policy and particularly in relation to the intersections of language power and identity in twenty first century post 9 11 culture's Writing against the Anglo centric ethnographic gaze that has saturated various cultural studies projects to date contributors offer new interdisciplinary autobiographical ethnographic textual postcolonial poststructural and political economic approaches to the practice of cultural studies This edited volume foregrounds twenty five groundbreaking essays plus a provocative foreword and an insightful afterword in which the authors show how globalization is articulated in the micro and macro dimensions of contemporary life pointing to the need for cultural studies to be more systematically engaged with the multiplicity and difference that globalization has proffered

Handbook of Studies on Men and Masculinities Michael S. Kimmel, Jeff Hearn, Raewyn Connell, 2005 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men's and boys identities conduct and problems The *Handbook of Studies on Men and Masculinities* is an interdisciplinary and international culmination of the growth of men's studies that also offers insight about future directions for the field The Handbook

provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this Handbook range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The Handbook of Studies on Men and Masculinities examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional iterations the institutional reproduction and articulation of masculinities the ways in which masculinities are organized and practiced within a context of gender relations and the ways in which individual men express and understand their gendered identities The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The Handbook of Studies on Men and Masculinities provides scholars researchers and students with the most current incisive scholarship available for the men s studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to any academic library

The Dark Side of Sports Nick T. Pappas, 2012 Elite level athletes are placed upon heightened pedestals in societies world wide At the same time there is dark side to these glorified competitors that remains hidden from those outside of exclusive athletic circles Dr Nick Pappas unique background as a former collegiate and professional hockey player and coach in combination with his experience as a researcher professional counselor and adjunct professor have provided him with knowledge and inside access to a variety of athlete cultures This has enabled Dr Pappas to uncover an array of disturbing sexual behaviors which have silently thrived for decades in many athlete cultures These practices expressed through the athletes own words along with their frequencies motives and consequences are the result of over 10 years of cutting edge research involving in depth interviews with 142 collegiate and professional athletes from five major U S sports While these findings are certain to shock raise awareness and provide a wake up call for those in and outside of the sports world they also highlight a sense of urgency for taking action against these harmful behaviors now The Dark Side of Sports has strong appeal for diverse audiences because it highlights the need for risk management in every male athletic culture This includes individuals with direct involvement in sports such as athletes coaches managers administrators and support staff who see the importance of addressing and deterring potentially harmful and dangerous behavior that can ruin an athletic program s reputation in an instant At the same time this book serves as an invaluable resource for parents women and fans by raising awareness to the significant issues surrounding a darker hidden side of sports The fact that certain negative practices were discovered at the high school level means that millions of middle and high school coaches and athletes in addition to those at elite levels need this information to keep deviant practices from gaining a foothold and becoming normalized within youth oriented sports cultures Finally The Dark Side of Sports will be a welcomed addition to

courses such as sociology of sport sports psychology women s studies and an array of sociology classes including deviant behavior

Criminology Piers Beirne, James W. Messerschmidt, 2014 This is a comprehensive introduction to the study of crime and criminological theory for criminology courses The authors take a critical sociological approach which emphasizes the relationship between gender class race age and crime Definitions of crime and the measurement of crime are subjected to a critical analysis that focusses on the social construction of crime and crime rates The book addresses historical feminist and comparative perspectives highlighting the major types of crime and victimization patterns It is of most interest to those who teach criminology out of a sociology department those who are sociologists teaching the course out of CJ or any instructor for whom a critical approach is key
