Directory of Videocassettes for Children 1999 R R Bowker Publishing, Bowker, 1999-03 *Encyclopedia of American Short Films, 1926-1959* Graham Webb, 2020-07-27 Short subject films have a long history in American cinemas These could be anywhere from 2 to 40 minutes long and were used as a filler in a picture show that would include a cartoon a newsreel possibly a serial and a short before launching into the feature film Shorts could tackle any topic of interest an unusual travelogue a comedy musical revues sports nature or popular vaudeville acts With the advent of sound on film in the mid to late 1920s makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies After the Second World War and the rising popularity of television short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965 Barry Monush, 2003 Applause Books For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos *The Video Directory* ,1987 **George Washington on Screen** Leigh Ehlers Lotte, 2023-07-17 One of the most moving narratives from the American Revolution is the first presidential administration and the many precedents set by George Washington While media historians have extensively analyzed screen portrayals of the more sensational events of America in the 1750s to the 1790s far less attention has been paid to portrayals of the first presidency and the character of George Washington in film television and other formats This book addresses that gap by providing the most comprehensive analysis of the character of George Washington on screen Divided into two parts the book begins with an analysis of how the Washington character has evolved through time and screen media from early silent films to modern multimedia products In Part II a filmography documents each piece of screen media that features a representation of Washington It includes silent films theatrical films cartoons television and

screen media from the 21st century such as streaming video games and multimedia presentations Arranged alphabetically each entry includes format type production details crew and cast lists and a brief description of Washington's character in relation to the plot **TV Guide**, 1963 Motion Picture Classic, 1924 **Some Joe You Don't Know** Anthony Slide, 1996-01-23 Americans have been watching and enjoying British television programming since the mid 1950s but the information on the personalities involved is difficult if not impossible to find in the United States This guide provides biographical essays complete with bibliographies on 100 of the best known and loved actors and actresses from Richard Greene Robin Hood and William Russell Sir Lancelot in the 1950s through stars of Masterpiece Theatre including Robin Ellis and Jean Marsh to the new generation of British comedy performers such as Alexei Sayle and Jennifer Saunders Not only are serious dramatic actors and actresses such as Joan Hickson and Roy Marsden to be found here but also the great comedy stars including Benny Hill and John Inman Among the many shows discussed in the text are Absolutely Fabulous You Being Served Dad's Army Doctor Who Fawlty Towers The Good Life The Jewel in the Crown Poldark Rumpole of the Bailey Upstairs Downstairs and Yes Minister The guide offers not only factual information but also samplings of contemporary critical commentary and in depth interviews with Terence Alexander Richard Briers Benny Hill Wendy Richard Prunella Scales and Moray Watson This is a reference source that also serves as fascinating entree into the wonderful world of British television one that is as fun to browse as it is to use for factual documentation Parents, 1986-07 **Videhound's Golden Movie Retriever**, 1995 Gale Group, Gale Research Company, 1995 The media is mad about the Hound and his mad insightful movie reviews This 1995 collection lists more than 23 000 movies on video 1 000 new to this edition full videographies for 26 000 stars over 4 000 music videos contact information for 400 distributors and includes videographies of 5 000 screenwriters and composers *The Gang Gun Violence Prevention Handbook* Cirven D. Merrill, Sandra Merrill, 2008-07 This book takes a down to earth look at Gang Gun Violence and what we can do as American citizens to eliminate it Every household school church community center and organization who is working to stop or eliminate Gang Gun Violence should have a copy of this book There is no book on Gang Gun Violence which contains more information on the subject than this one Once you start reading it you will find it very hard to put it down The information in the book just seemed to jump out and capture your attention and cause you to see gang culture for what it really is Your eyes will be opened in many new ways and your mind will sing triumphantly This is it this is it This is the kind of book I been looking for Your life will never be the same after reading this book People who especially work with youths need this book and every Police Department or Gang Task Force should have this information ready to enlighten as a form of prevention for any would be gang member You can not put a price on a book that helps as much as this book does *Believe Me Or Your Lying Eyes With "Hind" Sight!* Lou Illar, 2009-08 I find television very educating Every time somebody turns on the set I go into the other room and read a book Groucho Marx In 1957 Vance Packard wrote *Our American life* through a large scale effort to use psychiatry and the social

sciences to influence and manipulate buying has had impressive success below our level of awareness Since 1957 there is great evidence that our culture has become a harbinger of emotional exploitation in more forms than we can recognize and irrational profit taking in more forms than we can image In these times investing in a charity is not easy within a gambling culture that has glamorized wind fall profits and run away CEO salaries It certainly worsens when these efforts become unfettered and ignored by business efforts that not only fail to provide a product of value but offer no product at all This madness can only succeed by turning huge profits through the creation of cannibalistic markets and non profit corporations that feed on gambling addictions which buy moments of hope as they excite and exploit risk instincts This baiting continues to validate at warp speed the assumption that we are a nation of impulse buyers We reverse like a school of starving gold fish fearful of the vibrations of mere foot steps and unable to notice bread crumbs on top of the water No doubt someone has convinced us that with every failure there will always be another roll of the dice The more relevant question of interest is who will roll those dice on your internet gambling site No doubt we have become more reactive but worse we have become less knowledgeable This writing is offered to encourage your thoughtfulness about your money and who and what you empower as you give it away

The Encyclopedia of Hollywood Film Actors Barry Monush, 2003-04-01 For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos
