Fire of Love James McCaffrey, 1998 The greatness of the impact made by Terese of Lisieux seems out of all proportion to the brevity of her life and simplicity of her message To a world consumed with the quest for wealth she represents the emptiness which is all we can bring to God

Walking the Little Way of Therese of Lisieux Brother Joseph Schmidt, 2012-09-01 From her early years Thérèse of Lisieux desired to be a saint so the primary focus of her life was to walk the path of love what she called the science of love But she often asked herself if her love was pure and authentic With sensitivity and insight author Joseph Schmidt shows us how Thérèse discovered certain qualities of the heart that told her that she was indeed walking the path of authentic love These qualities inner freedom creativity compassion willingness self surrender or abandonment and gratefulness opened her heart to a new depth of God's life in and through her Eventually they played a very practical role in Thérèse's ordinary day to day life relationships and they can in our own as well As he did in his earlier book on Thérèse *Everything Is Grace* Joseph Schmidt breaks new ground in his latest book and offers tremendous food for thought and reflection on the spirituality of this great saint
