

NEW TESTAMENT / PREACHING

Preaching THE GOSPEL OF JOHN

In this accessible treatment of the major themes of the Gospel of John, renowned New Testament scholar Lamar Williamson blends the best of biblical scholarship and a close reading of the Fourth Gospel to meet the practical needs of weekly preaching. A more reflective Gospel in which the risen Jesus speaks in signs and discourses, John does not simply tell stories, but allows us to experience the Word and to see Jesus offering living water to the aridity of the institutional church and bread to the hungry hearts of individual disciples. More than mere exposition, *Preaching the Gospel of John* includes at the end of each passage three to five possibilities for preaching the text—creative and pertinent suggestions that can help preachers apply the words of the Fourth Gospel to the lives of today's churchgoers. Proclaiming the living Word is a major theme of the Gospel of John, and this clear and insightful commentary captures that message in the preaching moment.

LAMAR WILLIAMSON JR. is Professor Emeritus of Biblical Studies at Union Theological Seminary and Presbyterian School of Christian Education in Richmond, Virginia. He is the author of *Mark* in the Interpretation Commentary series.

The Pericope of the Adulteress in Contemporary Research David Alan Black, Jacob N. Cerone, 2016-04-21 The contributors to this volume J D Punch Jennifer Knust Tommy Wasserman Chris Keith Maurice Robinson and Larry Hurtado re-examine the Pericope Adulterae John 7 53 8 11 asking afresh the question of the paragraph's authenticity Each contributor not only presents the reader with arguments for or against the pericope's authenticity but also with viable theories on how and why the earliest extant manuscripts omit the passage Readers are encouraged to evaluate manuscript witnesses scribal tendencies patristic witnesses and internal evidence to assess the plausibility of each contributor's proposal Readers are presented with cutting edge research on the pericope from both scholarly camps those who argue for its originality and those who regard it as a later scribal interpolation In so doing the volume brings readers face to face with the most recent evidence and arguments several of which are made here for the first time with new evidence is brought to the table allowing readers to engage in the controversy and weigh the evidence for themselves

Truth, Testimony, and Transformation Yung Suk Kim, 2014-02-11 Investigating various contexts of the I am sayings in Jewish and Hellenistic traditions including the immediate context of the Johannine community Kim seeks to explore the themes and structure of the I am sayings of Jesus in the Fourth Gospel In doing so Kim demonstrates how the I am sayings of Jesus can be understood as Jesus embodiment of God's presence the Logos of God in the world and how such a language can help transform the struggling community into a loving community for all through a new vision of the Logos

The Cry of the Earth and the Cry of the Poor Kathleen P. Rushton, 2020-05-29 Despite the explicit proclamation in John's Gospel of the Word made flesh it is hard to preach such an esoteric Gospel in a way which offers something concrete relevant and timely for congregations Focused around the lectionary readings from the Gospel *The Cry of the Earth and the*

Cry of the Poor suggests that far from being a Gospel which sits at a safe remove from every day life it can in fact be preached as an urgent call to hear the voices of the oppressed in our world Encouraging preachers to engage in the ancient practice of lectio divina the book offers an accessible resource to help address the divorce between what is heard from pulpit and the urgent social and ecological justice concern of our times Abide and Go Michael J. Gorman,2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the ministry death and resurrection of Jesus As God s children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis **Biblical Worship Through Music** Robert Austell,2009-03-01 Seeking a faithful solution to conflict over musical worship the pastor musician author begins with biblical principles for worship examines historical and contemporary models for worship and evaluates worship practices in one presbytery of the Presbyterian Church U S A to propose guiding principles and specific applications for the use of music in worship The project shows biblical worship to be described by a number of characteristics and grounded in God s Word presence and community After exploring these principles biblically historically and culturally the outcome of the project is a significant collection of music related worship resources for use in the local church and for equipping in broader teaching contexts *Soteriology and the End of Animal Sacrifice* Giosue Ghisalberti,2018-08-24 Soteriology and the End of Animal Sacrifice traces the historically sustained critique of animal sacrifice in both the Jewish prophets and Greek philosophers and offers a reinterpretation of the fundamental expression of piety in both cultures The Jewish prophets such as Isaiah and Greek philosophers beginning with Pythagoras provided not only an unequivocal denunciation of animal sacrifice as a religious ritual Equally important they also offered an alternative conception of piety in and through a language dedicated to the therapeutic health and well being of others In the philosophies of Socrates and Epicurus in the Greek world and in the teaching and healing of Jesus in the Jewish world of first century Palestine we reach a decisive moment in the revolution of religion in the ancient world The practice of animal sacrifice in the temples of Greece and Jerusalem begins to be reconceived and eventually abolished and replaced by a soteriology or healing wholly dedicated to the well being of individuals no less than entire societies The replacement of animal sacrifice with soteriological speech is the single most important revolution in the religions of antiquity Do this in Remembrance of Me Bryan D. Spinks,2014-02-10 Bryan Spinks is one of the world s leading scholars in the field of liturgy and to have a comprehensive work by him on the Eucharist is a major catch for SCM Like the author s previous work on

Baptism this will become a standard work about the Eucharist and Eucharistic theology worldwide The book a study of the history and theology of the Eucharist is the fifth volume in the SCM Studies in Worship and Liturgy series and will help to establish the series as a place for landmark books of liturgical scholarship

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Hear the Word Dr. James A. Prette, 2011-04-29 Communicating the eternal truth of the Gospel in the continually changing context and language of contemporary culture can be a challenging task In *HEAR the WORD* author Dr James A Prette explores authentic Christian preaching in the postmodern culture In this examination Prette discusses the three essential elements of persuasive communication pathos ethos and logos and their parallels in Christian spiritual transformation content context and conveyor He offers a theological reflection exploring and defining a biblical paradigm for spiritual formation through the exposition of the biblical logos that crosses cultural and generational boundaries He also delves into the cultural shift that has taken place in the ethos of western culture from a modernist worldview to a postmodern one and its impact on Christian life and ministry *HEAR the WORD* offers nine important themes that can guide spiritual leaders in listening to and proclaiming the authentic word of God in this new postmodern paradigm

Elenchus of Biblica ,2004

Who Do You Say That I Am? Michael Root, James J. Buckley, 2014-09-03 No question is more central to Christian living preaching and theology than Jesus question to his disciples Who do you say that I am Some would have it that pastors and theologians biblical exegetes and historians dogmatic and moral theologians Catholic and Evangelical have more differences than similarities in the way Christians with such diverse vocations respond to Jesus question And there is little doubt that there sometimes seem to be unbridgeable gulfs between the way historians and believers Internet gossipers and preachers classical christological debates and present day praying and pastoral care implicitly or explicitly address the Lord s question But the authors here address these and other issues in ways that are remarkably convergent as if a Catholic and Evangelical theology for proclaiming and following Jesus today has emerged or is indeed emerging

[John the Jewish Gospel](#) Carroll Roberson, 2016-12-30 The Gospel of John is unique among the Gospels It proclaims Christs love in a way the others do not It also contains a different selection of miracles and teachings from our Lord Most importantly John places special focus on the complete and simultaneous divinity and humanity of Messiah This is emphasized by the account being bookended between the powerful first chapter that reveals Christ as God the Creator and Johns nine chapter retelling of the events surrounding Jesuss passion and resurrection Over the centuries Christianity has become dominated by well meaning Gentile thought as the center of world culture has moved westward and anti Semitic prejudice has become subtly more prevalent As a result we have missed the rich depth of so many truths by not reading the Gospel of John from his point of view of having walked and talked with his Jewish Messiah and God in the flesh Most commentators approach Johns Gospel with a focus on expounding on the Greek language of the text From this point it is easy to wander into the realm of misunderstanding because Gentiles dissecting Gentile words leads to Gentile logic and analysis imposing itself on the fulfillment of the Jewish faith In *John the Jewish Gospel* Carroll Roberson invites the reader to get to know Jesus better by examining the text of John verse by verse and passage by passage from a first century

Jewish perspective He does this with an open Old Testament and a wealth of biblical knowledge study and experience ready Carroll pays special attention to messianic prophesy and details within the text that come alive when viewed with an understanding of the culture of the time John the Jewish Gospel is a wonderful addition to the library of anyone who seeks to grow closer to Jesus the Messiah

Homiletic David G. Buttrick, 1987-01-01 Buttrick presents a complete homiletic that focuses on how sermons form in consciousness and how the language of preaching functions in the communal consciousness of a congregation His phenomenological approach marks a sharp departure from older homiletics
