## **Rudolph's Second Christmas:**

Rudolph the Red-Nosed Reindeer Ronald D. Lankford, Jr., 2016-10-04 Ronald D Lankford has written the definitive history of this iconic and much loved Christmas character Rudolph the Red Nosed Reindeer was the creation of Robert May a staff copywriter who wrote the original poem as a Montgomery Ward Christmas giveaway in 1939 More than 24 million copies were printed and given away that holiday season Thus the legend began Johnny Marks adapted the poem into what would become the Gene Autry hit Rudolph the Red Nosed Reindeer which instantly became and still remains one of the most popular Christmas songs of all time The legend of Rudolph soared even higher with the Rankin Bass stop motion television special in 1964 which has gone on to inspire a cottage industry of toys and decorative items In this festive and informed look at the most famous reindeer of all Lankford discusses all of Rudolph's iterations including comic books sequels advertising tie ins movies and much more Lankford has produced the first complete history of Rudolph that both celebrates and explains the undying popularity of Rudolph and his friends The result is both a glowing tribute and a rigorously researched biography that will appeal to fans and lovers of classic American holiday culture *The Christmas Encyclopedia, 4th ed.* William D. Crump, 2022-12-22 From the manger of Jesus Christ to the 21st century this encyclopedia explores more than 2000 years of Christmas past and present through 966 entries packed with a wide variety of historical and pop culture subjects Entries detail customs and traditions from around the world as well as classic Christmas movies TV series specials and animated cartoons Arranged alphabetically by entry name the book includes the historical background of popular sacred and secular songs as well as accounts of beloved literary works with Christmas themes from such noted authors as Charles Dickens Louisa May Alcott Hans Christian Andersen Pearl Buck Henry Van Dyke and others All things Christmas are available here in one comprehensive volume *The Christmas Encyclopedia* William D. Crump, 2001 Christmas is special for many people around the world and over the many centuries that people have been celebrating the holiday it has changed with the times This reference work presents a tremendous amount of information about the Christmas holiday from its inception around A D 350 to the present day Covering not only Christmas day but the entire season from Advent through Epiphany over 340 entries provide details on historical events that have shaped Christmas St Nicholas Santa Claus and other mythical beings that spread gifts around the world symbols such as the Yule log Christmas tree holly and mistletoe sacred and popular carols and other music and customs in the United States and around the world Unique to this work is its emphasis on Christmas as depicted in the popular media with entries on literary works motion pictures and television specials expressing holiday themes The Education Index, 1953 **A Catalog of the Music America Loves Best, on RCA Victor Records** Radio Corporation of America. RCA Victor Division, 1953 Children's Record Reviews, 1957 Flights of Fancy, Leaps of Faith Cindy Dell Clark, 1995 Through the mysteries and myths of Christmas and Easter families balance the values of receiving and giving of growth and sacrifice Each aspect of the Santa myth from his slide down a chimney to his big red suit plays a part in

a child's imagination Through their offerings of milk and cookies and their letter writing children bring their relationship to Santa into developing attitudes toward giving and receiving gifts The Easter Bunny story with its ritual egg hunt and baskets of brightly colored candy is explored in terms of life and its possibility of growth In these examples Clark shows how children play an active role in constructing family rituals and cultural reality since their willingness to make the stories their own helps to renew the traditions      How Christmas Became Christmas Nathaniel Parry, 2022-11-10 In some respects the contrasts of Christmas are what make it the most delightful time of the year It is a time of generosity kindness and peace on earth with broad permission to indulge in food drink and gifts On the other hand Christmas has become a battleground for raging culture wars marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday's core character By tracing Christmas's origins as a pagan celebration of the winter solstice and its development in Europe's Christianization this history explains that the true reason for the season has as much to do with the earth's movement around the sun as with the birth of Christ Chapters chronicle how Christmas's magic and misrule link to the nativity and why the carnival side of the holiday appears so separated from traditional Christian beliefs      **House Beautiful** ,1905      *Columbus City Directory* ,1915
