Rugby And Cricket For Mums:

Rugby and Cricket for Mums A. Sue Porter, 1995 *My Family's Keeper* Brad Haddin, 2016-12-01 A cricket autobiography unlike any other a universal story about how love for your family trumps everything Specialist Australian wicket keepers who have worn the baggy green are a rare and tough breed By the time Brad Haddin declared time on his career the stats would put him alongside the greats of the modern era But it was no easy road into the record books A seasoned Haddin had to wait for Adam Gilchrist's retirement to make his Test debut at the age of 30 And just four years into sport's toughest job while on tour in the West Indies Haddin received a call that changed everything his pregnant wife Karina told him that their younger child 16 month old Mia had a rare and aggressive form of cancer Immediately relinquishing his hard won cricket role he flew across the globe to be with his family Swapping the patient hours behind the wicket for the emotional rollercoaster of Mia's cancer treatment Brad put everything else on hold as over the next hellish 18 months his daughter fought for her life Only when Mia started to respond to treatment did Brad seek to return to international cricket He did so in spectacular fashion named vice captain he helped Australia rebuild so strongly it was able to carry off a fairy tale 5 0 Ashes victory on home soil *My Family's Keeper* is the extraordinary story of how one of cricket's toughest competitors and his family dealt with a very private struggle and a reminder of how teamwork and strong partnerships matter in life as much as they do in sport especially when you want to beat cancer *The First Twenty-One* Ray Warden, 2016-11-21 Many years ago probably around thirty or forty I used to relate to friends and family some of the happenings to me when I was very young and when I was growing up and they seemed amazed that I was able to remember so far back and also in such detail Now to me it seemed normal as I've always thought that when one has some sort of incident or situation that is profound in its entirety then it is impressed into the brain Whether it is something traumatic or joyful it stamps itself into your memory bank So as I've said I was always being asked to try and write down my memories of certain times in my childhood and youth but of course the biggest drawback was finding the time to be able to do it when you have a family and are engaged in earning a living which was of course the priority and other things took precedence **Mum's the Word** Eve Branson, Holly Peppe, 2013 Eve Branson's life reads like a fast paced adventure novel A classically trained ballet dancer she appeared in racy West End productions disguised herself as a boy to take glider lessons enlisted in the Women's Royal Navy Service and then embarked on a series of harrowing adventures as a Star Girl air hostess on the ill fated British South American Airways Though marrying the dashing ex Calvary officer Edward Ted Branson brought her down to earth to raise three children Eve's quest for adventure never faltered After running several businesses traveling the world and doing global charity work Eve is preparing to launch the first commercial space travelers to the edge of space in a Virgin Galactic mother ship that bears her name In this lively absorbing memoir part diary part adventure story part family history Eve Branson's formidable energy propels the reader through an extraordinary life Along the way she divulges some of the unorthodox but effective trade
