## **Rumors Of Godliness:**

**Rumors of Godliness** Desmond Mattocks, 2004-07 In an age of liberal passions when truth is seen merely as a compliment this book shows that the Bible is still the home of authentic principles Although the Bible has become an unfamiliar utterance in the study halls of universities Rumors of Godliness invites the reader to resist the faddish culture In light of the controversy between principles and feelings the reader is also encouraged to flee the wrath of sinful living to draw back in alarm and examine self It is with self that our fiercest battles are fought The book gives a glimpse of Christian radicalism conservatism secularism faith and reason all of which constitute a world view of moral integrity Indeed the book is a challenge not only to Christians but more so to shrill secularists who have sought to repudiate truth It shows that when God does His cleansing work on the inside we begin to see things differently on the outside Therefore being a Christian is not an occasional act but a permanent attitude a way of life Consequently godliness is more than just a rumor **The Ministry,**

**Vol. 11, No. 02** Various Authors, 2007-02-01 This issue of The Ministry contains a complete record of the nine messages given during the International Training for Elders and Responsible Ones held in Whistler British Columbia Canada October 5 7 2006 The general subject of the training was Shepherding the Flock of God These messages are a continuation of the training given in the spring of 2006 see The Ministry Vol 10 No 5 The burden of these messages is not about the technique of shepherding but about what we are in our person and how we behave in the church This is according to Paul's word to the elders in Ephesus in Acts 20 He said Take heed to yourselves and to all the flock v 28 We first need to take care of ourselves to be shepherded in our own person before we take care of all the flock Messages 1 and 2 show us that our shepherding must be according to the plan of God and the word of God according to the teaching of the apostles and according to God These form the basis of our shepherding Messages 3 5 and 7 show us that our shepherding is in our living by the grace of God in an organic way according to His initiation and with our cooperation and in dealing with peculiarity These are the conditions of our shepherding Messages 4 6 and 8 show us that our goal must be to shepherd the saints into the faith of the truth into a life of living through dying and into a life of prayer for the organic practice of the God ordained way in the vital groups Finally in Message 9 if the elders are constituted with the basis the conditions and the goal of shepherding the flock of God will be shepherded to know the Body of Christ May the Lord speak to us His light shedding and life imparting word Last of all we include letters and reports concerning the recent gospel move in the Russian speaking world **NLT Large Print**

engage Him for ourselves we like Jacob and Job and David will see rumors die and revelation come alive It s time to hear the magnificent Divine Invitation It s time to take God up on His offer and embrace the mystery and majesty of knowing Him for ourselves
