Run Run Run The Lives Of Abbie Hoffman:

Run Run Run Jack Hoffman, Dan Simon, 2020-01-14 Intertwining the details of Abbie Hoffman's intense personal life with the movement politics of the sixties, seventies, and eighties, Dan Simon writes Abbie's story from the point of view of his younger brother Jack, creating a full and poignant portrait of one of the geniuses of the 1960s counterculture. From the creation of the Yippies in 1967 and the tumult of the 1968 Democratic National Convention protests to the humor and agony of the Chicago conspiracy trial, the scandal of Abbie's 1973 cocaine bust and his six and a half years as a fugitive to his reemergence as environmentalist Barrie Freed and his final struggle with manic depressive illness, this biography offers a compelling examination of the contradictions that make Abbie Hoffman such a compelling figure. With the information and affection only a brother could bring to the complexities of Abbie's life, Hoffman and Simon portray Abbie's public persona alongside his private aspirations and fears, romances, and enduring family relationships. **A Study Guide for Abbie**

Hoffman's "Steal This Book" Gale, Cengage Learning, 2016 **Your Life as Story** Tristine Rainer, 1998-04-13 In *Your Life as Story*, autobiography expert Tristine Rainer explains how we can all find the important messages in our lives. Like Mary Karr or Frank McCourt, we can shape those stories into dramatic narratives that are compelling to others. Blending literary scholarship with practical coaching, Rainer shares her remarkable techniques for finding the essentials of story structure within your life's scattered experiences. Most important, she explains how to treasure the struggles in your past and discover the meaning within those experiences to capture the unique myth at work in your life. **Anxiety Muted** Stanley C.

Pelkey, Anthony Bushard, 2015 In this collection, contributors employ diverse critical methods and perspectives to explore the role of music in American film and television of the 1950s and 1960s, as well as in films from more recent years that allude to or reflect back upon or recreate those decades. Particular attention is given to uncovering how motion picture culture and its music treated anxieties about suburbanization, conformity, the family, and gender. Provided by publisher. **Radical**

Challenges to the Family Ashley Lavelle, 2016-03-03 Defending the nuclear family and extolling family values have long been central features of politics in capitalist societies, in spite of radical left challenges from social counter-cultural and gay rights movements. This book examines these challenges as they emerged in the 1960s and 1970s, reappraising their relevance in the light of recent developments, including the spread of more diverse family forms and the rise of the same-sex marriage movement. Drawing on archival research in the US, UK, and Australia, the author asks what the emergence of same-sex marriage movements and legislation mean for challenges to the nuclear family in the light of an original general hostility to marriage and family structures in the gay liberation movement, whilst considering the extent to which the nuclear family might be included in the list of social and economic institutions subject to criticism on the part of more recent anti-capitalist movements such as Occupy. A detailed study of the extent to which the nuclear family remains susceptible to the radical critiques of the last century, *Radical Challenges to the Family* examines whether the original challenges shed light on

ensuring social problems including domestic violence child abuse homophobia and growing marital dissatisfaction As such it will appeal to scholars of sociology and politics with interests in gender and sexuality the sociology of the family and feminist thought

The Chicago Conspiracy Trial and the Press Nick Sharman, 2016-05-11 This book analyzes the newspaper coverage of one of America's most famous and dramatic trials the trial of the Chicago 8 Covering a five month period from September 1969 to February 1970 the book considers the way eight radical activists including Black Panther leader Bobby Seale antiwar activists Tom Hayden David Dellinger and Rennie Davis and leading Yippies Abbie Hoffman and Jerry Rubin are represented in the press How did the New York Times represent Judge Hoffman's decision to chain and gag Bobby Seale in the courtroom for demanding his right to represent himself To what extent did the press adequately describe the injustice visited on the defendants in the trial by the presiding Judge Julius J Hoffman The author aims to answer these questions and demonstrate the press's reluctance to criticize Judge Hoffman in the case until the evidence of his misconduct of the trial became overwhelming
