

A silhouette of a person running is positioned in the upper half of the frame. The runner is captured in mid-stride, with one leg forward and arms slightly bent. The background is a warm, golden sunset or sunrise over a field of tall grass and distant hills. The sun is a bright, glowing orb on the horizon, creating a strong backlight effect. The overall mood is peaceful yet energetic.

Running For Jesus

Kenneth Rolheiser

Running For Jesus:

Running through Life Tommy Bresson, 2014-04 Running through Life explores twenty six different characteristics that speak to the emotions and thoughts of marathon runners In each chapter author Tommy Bresson explores a characteristic that relates specifically to a certain mile in the marathon or to training in general Using stories from his own life and examples from the Bible Bresson illustrates the importance of these characteristics not just while running the marathon but in life itself Whether you are training for your seventeenth marathon or just curious about the sport you will enjoy and be encouraged by the lessons Bresson shares As you gain a clearer picture of who God is and how his character is revealed through stories in the Bible you will find yourself challenged to reflect on how these various characteristics manifest themselves in your own life

Running with God Kenneth Rolheiser, 2006-07 Picture this God is waiting for you with open and loving arms The quickest way into them Run says Ken Rolheiser Here he invites readers to run with him as he makes his way through the seasons of life with the ultimate goal of reaching those outstretched arms He encourages readers to recognize the touch and presence of God in ordinary life and to always keep the eternal goal in mind From the moment of our birth he writes we move inexorably toward the day when we will be born to eternal life

RUNNING THE RACE

GODSWORD GODSWILL ONU, 2015-03 We are running a race our purpose is to please God and do His Will and our goal is to make Heaven at last with great rewards If we know the value of the race we are involved in and the things which God has prepared for us at the end we will sell all that we have and buy them Run in such a way that you may obtain the prize of our race You therefore must endure hardship as a good soldier of Jesus Christ Take heed to yourself and to the Doctrine Continue in them for in doing this you will save both yourself and those who hear you

Running on Empty Fil Anderson, 2009-06-10 Learn to live with God instead of for God In this candid and achingly authentic book Fil Anderson shares the healing insights that restored his spiritual compass and guided him back to God the God who specializes in filling empty souls Fil Anderson had accomplished more for God than most of his contemporaries but his worn out body housed an empty soul His frenetic pace of ministry had earned him just one thing greater pressure to do even more He had fallen for the soul killing lie that doing more for God would give his life meaning Then the godly admonition of a spiritual director set this burned out believer on a life saving spiritual path Sometimes the only way to get a new life is by running your old one completely into the ground This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty It s the story of reclaiming your soul and finding a home in the center of God s relentless love It s the journey from self importance to God importance To the harried and the unharried I pray that this book will minister to your heart in the profound way that it has blessed mine Brennan Manning

Running with the Horses Larry Taylor, Ph.D., 2013-10 We all have great intentions when it comes to raising our children We want them to succeed and above all to surrender their lives to the lordship of Christ As a father of four boys and a twenty five year veteran of school

administration I understand these goals I also understand the busyness of daily life how days merge into weeks as hurried lifestyles spin out of control leaving us wondering how our toddlers became teenagers This book introduces you to a simple biblically based plan for raising servant leaders for Christ Whether your child is eighteen months or eighteen years old this book will guide you through the process of preparation for the race that awaits him in this world We will walk through specific and practical things you can do to build a family plan Being deliberate and focusing on creating depth in your child's faith is the first step to preparing him or her to run with the horses If you have run with footmen and they have tired you out then how can you compete with horses If you fall down in a land of peace how will you do in the thicket of the Jordan
