Selected Poems of Robert Creeley, 1945-2005 Robert Creeley, 2008

Here is Creeley at his skillfully selected best full of the melodies of plain speech concise yet resonant with emotion Juliana Spahr author of *This Connection of Everyone with Lungs* So fantastically simple and so satisfyingly complicated these poems band together like the days in *One Day* One day after another perfect They all fit John Ashbery Beautifully edited by Ben Friedlander with tenderness intelligence and care A superb selection well introduced *Selected Poems* provides a great sense of the range of Creeley's accomplishment these poems among the most important of our time a way of writing with the hesitations and grace of a new found line thinking informed by sources from Emily Dickinson to Charlie Parker *Selected Poems* is at once a tribute to Creeley a perfect introduction for new readers and a valuable distillation for those who have already acquired a taste for Creeley's poetry The perfect assembly to and for one so fond of saying onward We can now go onward with these selected poems onward with these well chosen words with thanks to Robert Creeley and to Ben Friedlander Hank Lazer author of *The New Spirit* Benjamin Friedlander himself a fine poet critic and a great connoisseur of Creeley's poetry has put together a superb selection Marjorie Perloff An excellent selection and introduction It is an edition that acknowledges work that has defined the poet's career while offering a new narrative for the entire oeuvre It will join UC Press's distinguished and definitive editions of postwar poetry and will provide us all with a summary guide to Creeley's best work Michael Davidson In a quiet moment I hear Bob pause where I never would have expected it Such resolve Such heart And an ear to reckon with No truly further American poem without his Clark Coolidge author of *Counting on Planet Zero*

**The Collected Poems of Robert Creeley, 1975-2005** Robert Creeley, 2008-06-03 The subtlest feeling for the measure that I encounter anywhere except in the verses of Ezra Pound William Carlos Williams It is a study how Creeley lands syntax down the alley and his vocabulary pure English to hit meters and rhymes all of which are spares and strikes Charles Olson Robert Creeley has created a noble body of poetry that extends the work of his predecessors Pound Williams Zukofsky and Olson and provides like them a method for his successors in exploring our new American poetic consciousness Allen Ginsberg His succinctness is like the unfettered flashing of a diamond John Ashbery Robert Creeley was one of the great giants of 20th Century American poetry This collection is his monument Paul Auster American poetry is unimaginable and happily unknowable without Creeley Andrei Codrescu author of *It was today* new poems Creeley is a touchstone for me a measure of what poetry is He is a genius of the sensorium as Kerouac was and a master of the ear as is Miles Davis He is a carver in space like Van Gogh Michael McClure There is no poetry more vivid immediate or telling than Robert Creeley's His *Collected Poems* extends the achievement of Dickinson Whitman and Williams into postwar America Creeley's excavation of particular words images and sentiments resonate beyond the pages of this book into the fabric of everyday life This is American invention at its best as necessary as the air we breathe and the ground we walk on Charles Bernstein It isn't what a poet says

that counts as a work of art William Carlos Williams once wrote it is what he makes with such intensity of perception that it lives with an intrinsic movement of its own to verify its authenticity I can't think of another contemporary poet whose acute sensitivity to the particular event of making and in poetry making includes breaking each written line is as consummately fine-tuned as Robert Creeley's Susan Howe He was the main support in the old house of poetry the main beam C D Wright Brown University alumni newsletter There is no poet like Creeley His multiple subjectivities and magic syllables have kept us curious and honest Never a false step never a less than tender heart for the sound and the brilliant cognitive often fierce power therein What a glorious long life in writing These late poems keep the brilliant tempo We are very lucky he is still so much among us Anne Waldman Robert Creeley transformed the momentary spontaneous music of being alive into a profoundly enduring American art brilliant necessary impeccably scored He made it new for always Peter Gizzi

**Selected Poetry** John Hollander, 2012-05-02 Perfection is a rare accomplishment particularly in American poetry and the perfection of much of Hollander's work makes it essential reading for anyone who genuinely cares for the craft of poetry But in our fallen world we seem fated to value power of perfection and John Hollander's poetry has shown a visionary power just often enough to secure him a place as one of the major figures of our moment Vernon Shetley The New Republic

**Selected Poems of Robert Creeley** Robert Creeley, 1996-03-19 From the first clear grounded 1940s insight snapshots of For Love through his recent decade experiments with syllable by syllable intelligence Robert Creeley has created a noble life body of poetry that extends the work of his predecessors Pound Williams Zukofsky and Olson and provides like them a method for his successors in exploring our new American poetic consciousness Allen Ginsberg Visionary and oracular Creeley has been a worker in the deep romantic vein words in this poetry are magic charged as they are in dreams with message of the dark of the human condition Robert Duncan The subtlest feeling for the measure that I encounter anywhere except in the verses of Ezra Pound William Carlos Williams Robert Creeley's poetry is as basic and necessary as the air we breathe as hospitable plain and open as our continent itself He is about the best we have John Ashbery Dear lovely decorous tender ah there is no one like him Carolyn Kizer

Womanspeak: Voices from an Archaeology of Silence New and Collected Poems Carol Thomas Ph.D., 2015-05-13 This book of poetry consists of new and collected poems with an appendix that illustrates work I have done throughout the yearsoften when I was teaching creative writing or womens studies and also when I was engaged in private practice with Shoreline Psychiatric Associates The text represents a womans vision of her world embodied tactile deeply sensuous and erotic in the sense of being connected wired to the universe Before my recent retirement I worked with multicultural and intriguing populations women prisoners drug court appointed adolescents some of the 1 percent and many of the 47 percent as well as what some politicians would call a permanent underclass A dual professional life in terms of both teaching and private practice has provided for me the richest deepest learning environment one could hope for The poems as well as the appendix attempt to illuminate and explicate the essence of womens engagement with herself her relationships

and the world The poems also explore her intelligences epistemologies theoriesher often quotidian delight as William Carlos Williams defines it Womens experience echoes Whitmans expressions of his love of the natural world and his insistence on achieving a capacious imagination My poems are feminist in the way in which Virginia Woolf defined it in 1938 in her wickedly witty antiwar prowomen book Three Guineas Her use of the word was to suggest the egregious inequality between women and men It is a brilliant treatise on the subconscious roots of patriarchy and she observes that war is the plaything constant and the deepest desire of men Woolf had hoped the word feminist would become obsolete as equality cooperation and friendship would erase the term In a volatile dispute discussed in her book as to whether women should be ordained into the English Anglican Church its reigning body of officials brought in Professor Grensted a well known psychologist to help in resolving the dissension and division Ultimately after much thought and study Professor Grensted declared that there was no theological or intellectual reason that the women could not be ordained but they should not be ordained due to the stress and agitation it would cause among the male clergy In his conclusion he noted that the real reason the women could not be admitted was mens infantile fixation against women a fixation deeply unconscious and seemingly unchangeable and an inseparable element of patriarchy A woman was first ordained in the church in 2006 first female primate in the Anglican community Some contemporary religious traditions in America today continue with these issues Currently our nation our earth is in crisisreferring to our perpetual wars the depletion of the earth and its millions of starving peoples all over the world The poems in this book both critique our inability to accept truth and the natural world and the call to celebrate the gifts of womans livesmercy insight unequivocal generosity keen sensibilities new visions Let us hope that 2015 ushers in and implements the values of each human each species every living creature tree rock cloud sun sea as of infinite value
